

Feast Of The Beast

by Fritz Springmeier
from [TheForbiddenKnowledge](#) Website

This article is written for general readers who have a general interest in **the Illuminati**. Unless I've written on this topic and forgotten what I wrote, I believe this is the first time an article has been written on this topic. The Illuminati's secrecy has been so powerful, that I believe this is the first time it has been pierced with this information. I believe this information may assist us in understanding when major secret policy changes may occur.

But I ask, what good is this information without the *fear of God*? I encourage my readers to not just concern themselves with the present or the future, but also for that time when they have to face their Creator. If you haven't attended to your soul, it would be well worth your time to get right with *God*, rather than reading this article.

In my investigations into the Illuminati, I was provided information from several ex-Illuminati members about an important ritual called **The Feast of the Beast**. I've made references to this ritual occasionally and this attracted some attention by some of my readers. I've been asked to write about this ritual over the years, and always found more pressing things to do.

My various sources gave their testimony independent of each other and this led me to conclude that the ceremony did indeed exist. A lot of pressure has come down on me, and I felt that I should go ahead and write this article rather than presume that I shall have the chance later.

In simple terms, the Feast of the Beast is a yearlong event that **occurs every 28 years** and is attended by Illuminati leadership from around the world. It is a very high level ceremony, and would not be recognized at the anarchy ritual level of the Illuminati.

Ritual is very important to Satan, and to the Illuminati. There are a number of reasons to this. One, it provides an excuse to carry out horrible things without having to feel any guilt. A person can explain away things as "It was time for that." or "That's the way things are done." Or, "we must protect these traditions".

Permit me to quote some recognized occult books that are accessible to the public. These books will help document some of meaning of the *Feast of the Beast*. Of course, experienced witches will find these quotes elementary, but I write this article for Christians or the curious who may likely not know these things.

Lewis Spense's [An Encyclopedia of Occultism](#) (originally published in 1920, and republished in 1960) says on p. 263 in its article on Magical Numbers, "In magical rites, numbers played a great part." We may well ask why?

The council for witch covens in the Portland area recommends the book [The Witches Way](#) as a method for the new witch to learn witchcraft from the *Book of Shadows*. Because the book is sold publicly, it leaves out secret rituals from the [Book of Shadows](#). On p. 151 in the chapter "Myth, ritual and symbolism" the reader is told that symbols appeal to the unconscious and that numbers are used as symbols. In other words, numbers are a way to plant ideas into the subconscious.

The [Feast of the Beast](#) is associated with the number **28** (as well as its reverse **82**, and as well as the combination 7 times 4). One of the best books on providing the occult world's meanings of numbers is [Aleister Crowley's](#) books *Gematria and Tables of Correspondences*. On page 58 of Crowley's Table of Correspondences under the Orders of Qliphoth, we're informed that 28 is the number of the Beast, that is Bahimiron which is Bestial.

Crowley also teaches that the number 28 is associated with the unicorn, the peacock, the peacock & the rainbow, artificial glass (& chalcedony which suggests clouds), astrology in general, a number of perfumes such as Rhubarb and Stammonia, and a 3 headed beast (heads of a bull, man & ram) riding a dragon. In his book *Gematria*, about the numerology of mystic numbers, we are told that in the static universe 28 means power (Netzach, also spelled netsach), and in the world the magician makes it means "My victory, my power."

(By the way, [Netsach](#) is used in the Word of God at 1 CHR 29:11 "Thine, O Lord [YHWH], is the greatness, and the power, and the glory, and the victory [netsach], and the majesty..." Netsach means a bright object like a star that one travels toward, it is a shining goal, which has been achieved.)

There is no question that Cabalists view 28 as a very powerful number. Further, when we realize that 28 is also a combination of 7 (perfection) and 4 (also considered completeness or perfection), we can appreciate that 28 on a Magical calendar system is powerful. Accordingly, the Illuminati made note in their rituals in 1982, that 82 is the reversal of 28. According to some, the year long Feast of the Beast occurred in **1982**, and the previous one occurred in '53 or '54. The next one is to occur in 2009 or 2010.

You will note that some very important changes in planning/operation occurred during the 53-54 time period. The first [Bildberg](#) meeting began in 1954. This was the time when all the various factions of world power signed into a pact of cooperation. It was a secret turning point where a genuine One-World power came into being. [The Priory of Sion](#), the secret order behind the Knights Templars, began to disseminate information about itself.

The United States shifted from a military where conventional weapons were emphasized to organizing itself around nuclear weapons. The U.S. also pushed atomic energy worldwide with the "Atoms for Peace" program. A number of occultists had previously predicted this worldwide shift towards nuclear energy for both war and peace purposes. (Another energy projection was that money will become units of energy.)

At the Feast of the Beast, a beautiful bride is trained and presented to Satan, and she may well be a virgin. This ceremony is most likely held at a castle or palace, and is also likely to be held over in Europe for the principle ceremony. Lesser ceremonies may be held here in the states. Witnesses claim that Satan appears and interacts with his human leadership. He provides them with detailed instructions for what he wants done until the next Feast of the Beast. In other words, he provides the top Illuminati hierarchy with their future long-range plans. The actual Feast of the Beast is a yearlong ceremony.

However, there is also a small ceremony performed before the autumn equinox approximately around the 5th to the 7th of September, which is a Marriage to the Beast ceremony, that can also be called The Feast of the Beast. It is a microcosm of the large ceremony. Or perhaps one could call it an imitation.

It was also claimed by one informant that the **Feast of the Beast** in 1982 was the 13th from 1618, and that the Feast of the Beast in 1618 had been a significant event.

The Illuminati have certain people assigned to focus on spiritual power. Some readers may remember that I have explained that the Collins family was brought into the hierarchy because they were so powerful magically. The Rothschild's have the financial power, but the Collins family has been very powerful witches.

Women are spiritually very powerful in the Illuminati, and some women in the Illuminati are very important in planning and making the rituals successful. I write this because those Illuminati members who are part of the spiritual section of the Illuminati are going to be better informed than other sections (say the political, scientific or financial sections) on ritual background of the Feast of the Beast. The number **28** is said to come from Babylonian magic, the lunar calendar, and a woman's menstrual cycle.

Ancient Babylon divided their day into 12 hours (each of their hours is two of ours). And each Babylonian hour was divided into 30 minutes (so their minute was 4 of our minutes). The Lunar month was 30 days. Seeing how all these 12's and 30's occur, it is not surprising that they used a base 60 numbering system.

That means you counted to 60 before you got to 10. This is called a sexagesimal system or base 60 system. I was told that the number 28 played a role in the Babylonian calendar but what it was is not clear to me. Anyway, it is likely the number 28 has occult

connotations that go back to Babylonian magic. The powerful Rothschild's love Babylonian magic, so it is no surprise that witnesses have seen the leadership of this bloodline at the Feast of the Beast ceremonies.

What does all of this mean for common people, or the true *God's* royalty? It means that major policy shifts are likely to be seen after about 2010. While **the Illuminati** have been having some major power struggles, things will get sorted out better during this time period and major programs launched. No matter what happens it will all fail to detour *God's* ultimate will. However, the Illuminati have been fairly confident in their own secret meetings where they describe their 20, 10 and 5 year plans. Many of their plans since the last Feast of the Beast have not had full success, but they remain confident of their power.

This has been a look at one of the most important secret Illuminati ceremonies, a ceremony based on Babylonian and Cabalistic Gematria, where important policy is planned, and having as its participants Satan (who appears as a man/shape shifting reptile) and the leadership of the Illuminati.

Merovingian Bloodline and... **The Black Nobility**

Part I

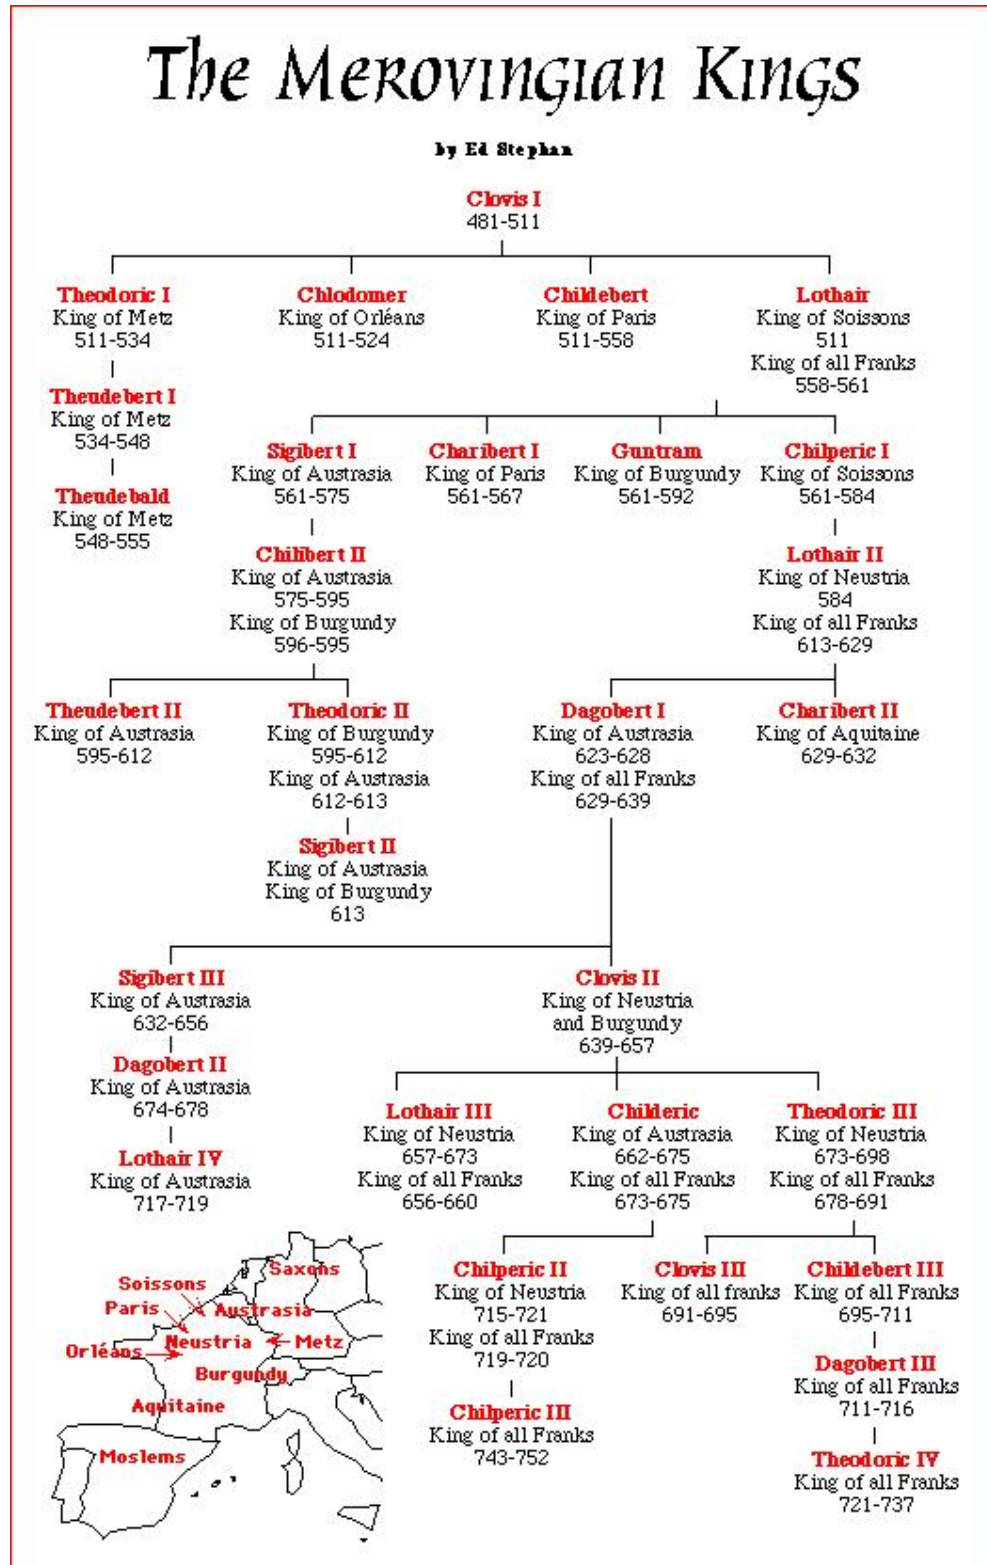

June/28/2000

This page has been prepared to provide some type of table of contents to the various items which will be included in this chapter "The Thirteenth Satanic Bloodline".

In my writings this bloodline has been interwoven into the text of many articles, but it hasn't been singled out very much. Although a great deal has been written by this author on this final family, to pull out articles which concentrate on it solely is difficult. After assembling some pages on it, a few words of explanation were still needed.

Allow me to briefly explain those items which were selected:

- An article on the top family that appeared in Feb. 1995 newsletter on page 73.
- An appendix to the *Be Wise As Serpents* book about the British Royalty. The British Royalty are tied in with the 13th Bloodline.
- Many of the American political leaders have been related to the British Royalty incl. George Bush and Dan Quayle. A flier from a Christian conference is included showing who the speakers are.
- Finally, a little of the genealogical information I assembled on the Mormon leaders is given. This was included in the [Be Wise As Serpents](#) book to give people an idea of how the Mormon leadership ties back in with the leading occult bloodlines of the Merovingian dynasty (below chart). The chart for LDS President Albert Smith is only about 1/3 typed out. The remainder of Albert Smith's (as well as other Mormon leaders) genealogical work is in a file in some unknown box at my house.

This bloodline is harder to track because it weaves in and out of the other 12 bloodlines. There are many surnames which are part of this bloodline (including the Smith family), however I can give one very prominent one, the Sinclair family.

We know that Satan is the father of all lies, and *Christ* told the religions leaders who went out to destroy him that they were from the seed of Satan.

2nd Feature Article

THE 13TH ILLUMINATI BLOODLINE

The [13th Illuminati Bloodline](#) is where the Anti-Christ will come from. This bloodline believes that it has both the blood of *Jesus* and the blood (or seed) of *Satan* in its bloodline. In my *Be Wise As Serpents* book, I make reference to this bloodline but I never really took the time to explain it completely.

In fact I don't fully understand this bloodline myself. I encourage those who want to learn more about this bloodline to study the following books:

- The Holy Blood and the Holy Grail by Baigent, Leigh & Lincoln, Dell Publishing Co., New York 1982.
- The Messianic Legacy by Baigent, Leigh & Lincoln, Henry Holt and Co., New York, 1986.
- The Temple and the Lodge by Baigent & Leigh, Arcade Publishing, New York 1989.
- Guardians of the Grail by J. R. Church, Prophecy Publications, Oklahoma City, 1991.
- The Anti-Christ King - Juan Carlos by Dr. Charles R. Taylor.

This bloodline is so extensive in its many branches that its membership takes in many of the Presidents of the United States, including George Bush and George Washington.

The reason that I gave the genealogies of the some of the Mormon Presidents to people back in 1991 in my *Be Wise As Serpents* book is that all of the Mormon Presidents in history, whether RLDS or LDS, trace their blood back to this 13th bloodline. Within the Illuminati rituals, the emphasis of the 13th bloodline is that they are the seed of Satan. As their secret story goes, they are the direct descendants of Jesus' spiritual brother Lucifer. Since the Freeman family and the Rothschild family have members who are also in the 13th bloodline, it is unclear to me how interwoven the "seed of Satan" is.

Some of the earliest attempts to trace the seed of Satan were some books which did extensive research on [the Tribe of Dan](#) and the descendents of Cain.

"The Curse of Canaan" is an interesting book along with its mate *World Order* by **Eustice Mullins**. One of the books which I looked with difficulty for before finding it, was Gerald Massey's *A Book of the Beginning* (Secaucus, NJ: University Books Inc., 1974). The book goes in and shows in detail how the inhabitants of the British Isles came originally from Egypt. This is Important because (as this newsletter has always contended) the

Druidism of the British Isles was simply a derivative from the Egyptian Satanic witchcraft/magic of Ancient Egypt.

The Egyptian word *Makhaut* (clan or family) became the Irish *Maccu* and the *Maccu* of the Donalds (clan of Donalds) now reflected in the name MacDonald. The sacred keepers of the Clan-Stone in *Arran*, were also known by the family name of *Clan-Chattons*. Another word for clan is Mack and the Clan-Chattons were also known as Mack-Intosh.

Ptah-rekh the name of the Egyptian god Ptah was passed down to us by the Druids adopting the name Patrick, which sounded similar. St. Patrick's day then is a Christianized form of a druidic holiday which originally had its origins in Egypt. The [All-Seeing Eye](#) can be found on ancient buildings in ancient Chaldea, in ancient Greece, and in ancient Egypt. The MI-Seeing Eye represents Osiris. Osiris had debauched revelries (*saturnalias*) celebrated in his honor.

The temples in Arabia clear back in the time that Moses had his black father-in-law Jethro used the *All-Seeing Eye* to represent the false Satanic trinity of Osiris, Isis and Horus of Egypt. This MI-Seeing Eye pops up everywhere the Illuminati has been. In the *Winter Palace Square in St. Petersburg, Russia* is that *Illuminati All-Seeing Eye* on top of a pyramid.

You will also see it in the old Mexican Senate Building which is now a museum in Mexico City. You will find this on the back of our one dollar bill, and you will find the All-Seeing Eye was placed on Ethiopian stamps when they got a communist government in power.

The *Illuminati is the continuation of the Mystery Religions of Babylon and Egypt*. And the bloodlines of the Illuminati go back to people who at one time lived in Babylon and Egypt. Just how the House of David (the Satanic one) and the Holy Blood of the 13th family fit in with everything else in history I can't say. I'm sure it would be a big story to tell if I knew.

But I do feel that somehow the 13th Illuminati family does go back to ancient times. Is this via the *Tribe of Dan* or via some *Druidic bloodline* or is it via [the Merovingians](#) or is it via all three.

And where do the Guelphs and Black Nobility fit into this?

Whatever the case, the 13th bloodline has amassed a great deal of power and wealth on this planet. The 13th bloodline lacks nothing to bring forth their Anti-Christ who will appear to have all the correct credentials. I would not even be surprised if their Anti-Christ in order to appear real will expose another Anti-Christ.

The 13th bloodline has kept its genealogies very secret. I would welcome more input from informed persons about this bloodline. The tribe of Dan was prophesied to be the black sheep of the nation of Israel which would bite the other tribes of Israel. The tribe of Dan had the snake and the eagle as its two logos. The tribe of Dan left its calling card all over Europe as it migrated west in the names of many places.

The tribe of Dan ruled the Greeks, the Roman Empire, the Austro-Hungarian empire and many others which used the eagle as its logo.

Great Britain is the mother country of Satanism.¹ Scotland has long been an occult center. The national symbol of Scotland is the dragon (the snake), and for years the chief of Scotland was called *the dragon*. The Gaelic language is an important language for Satanism, although English and French are also use extensively by the Illuminati.

The planning sessions for world takeover that some ex-Satanists experienced were held in French. The British Royal Family have long been involved with the occult. For more information on this there is a detailed examination of the Royal family and the occult in the book *The Prince and the Paranormal - The Psychic Bloodline of the Royal Family* by **John Dale** (1987).²

They have also been actively involved with Freemasonry (see the chart). British MI6 has been a major vehicle for the Satanic hierarchy working behind the secret veil of Freemasonry to control world events.³

British MI6 is the most secret intelligence organization in the world.⁴ (It is properly known as *British Secret Service* not to be confused with the U.S. agency by that name but performing a different function entirely.)

The British Royalty have served as important figureheads to British Freemasonry lending credibility and respectability. British Freemasonry has managed to keep itself free of much of the criticism that the other national Masonic groups have brought on themselves. However, much of the credibility of British Freemasonry is undeserved.

True, British Freemasonry is what it portrays itself to the public for the lower levels. But, the lower level Masons by their dues and activities are unwittingly supporting an organization that is led by Satanists at the top. An example of the subterfuge constantly exercised on the public by Freemasonry is a book purportedly written by a non-Mason entitled *The Unlocked Secret Freemasonry Examined*.

The book portrays itself as an unbiased and complete expose of Freemasonry. The book states unequivocally that the Masonic order called *Societas Rosicrucian* in Anglia is only open to Christians and is a "Christian Order".

However, **Edith Star Miller** reprints copies of a number of letters from the chief of the *Societas Rosicruciana* in Anglia which show that the English Grand Masonic Lodge, the SRIA, the OTO, and the German Illuminati are all working together.⁵

She briefly explains how she obtained the letters.

Part II

July/01/2000

In this, the second of a four-part study on the real rulers of the world, in which we set out to discover how it can be possible that at the close of the Gentile dispensation "Rome has acquired nearly all the supplies of gold", as prophesied by *Brother Branham*, we'll study the common thread between the nobility, the priesthood, and the merchants. In one word, it is "power" by privilege or right in perpetuity over the lesser beings in human society.

This concept of an arbitrarily "chosen people" is marked bold. It identifies the true authors of Nazi philosophy whom British Prime Minister Benjamin Disraeli described as, "the hidden hand behind government".

This common thread could also be called "the trail of the serpent" because it is a history of wisdom against faith that may be traced from the present-day "mystery Babylons" of Hollywood and Rome that have corrupted faith and morals, to Nebuchadnezar's Babylon which hybrid the faith and morals of captive Judah, and Nimrod's Babel, another scene of religious and moral impurity.

These people have two things in common. Carnality and human wisdom in place of the

faith of *Jesus*, and the Babylonian religion, or learning. Perhaps the majority of these people are related to the serpent by blood, as well as by cunning. Computer genealogies of dynastic families uncover interesting links with other families in the past, disclosing hidden criminal interests that continue to represent the main source of income of these pillars of society to the present time.

The opium trade and usury are two such examples.

And looking at the natural, over ninety percent of those "who say they are Jews", are not. They lie because they have no kinship to Abraham, Isaac, and/or Jacob by blood. (Check Encyclopedias Judaica and Britannica, Jewish and Universal Jewish Encyclopedias.) And certainly not by faith. True Israelites who are Hebrews call them *Ashkenazim* or [Khazars](#).

These people earned the title of "Black" Nobility from their ruthless lack of scruple. They employed murder, rape, kidnapping, assassination, robbery, and all manner of deceit on a grand scale, brooking no opposition to attaining their objectives. These all have immense wealth. And money is power.

The most powerful of the [Black Nobility](#) families are located in Italy, Germany, Switzerland, Britain, Holland and Greece in that order. Their roots may be traced back to the Venetian oligarchs who are of Khazar extraction. They married into these royal houses in the early part of the twelfth century. (Indeed, after a great Khazar victory over the Arabs, the future Emperor, **Constantine V**, married a Khazar princess. Their son became Emperor Leo IV, known as *Leo the Khazar*. I have read that [Pope John Paul II is \(was\) a Khazar](#), but can't confirm it.)

Many of these royal families no longer have kingdoms, and not all Black Nobility are royal houses. According to author **John Coleman**, a "[Committee of 300](#)" from this untouchable ruling class includes Queen Elizabeth II, the Queen of Holland, the Queen of Denmark and the royal families of Europe (The Black Nobility).

Documentary proof as to the existence of the "Committee of 300" is not forthcoming, and it may be no more than a convenient phrase to describe certain key players.

Socialist politician and financial adviser to the Rothschilds, **Walter Rathenau**, writing in the *Wiener Press* (24 December, 1921) said,

"Only 300 men, each of whom knows all others govern the fate of Europe. They select their successors from their own entourage. These men have the means in their hands of putting an end to the form of State which they find unreasonable."

Exactly six months after publication, Rathenau was assassinated.

Dr. Coleman's work opens the door to further studies on named members of the ruling elite, particularly in America. Whereas the English have a long history and are very aware of their ancestry, there are certain families of "blue-bloods" in the United States that have historic ties with the British through blood and money.

These "noble" families are behind most if not all of the so-called pro-environmental movements that are actually intended to curb the population growth of ALL nations. Prince Philip and Prince Charles are the most visible symbols of this movement, and are a true part of this conspiracy to destroy industry and take the world back to a New Dark Age.

Most if not all the crowned and uncrowned heads of these dynasties enjoy huge incomes from ground rents. All favor Global 2000 Report to the President that's calculated to end all industrial progress, and by famine, disease and wars, eliminate the excess population industry supports. All oppose nuclear power that can produce clean cheap electricity, the key to economic development and prosperity in the Third World. They ardently desire a return to the feudal system where they will once again be absolute rulers.

While professing Christianity, the oligarchical families, for the greater part actually despise it in secret. Masonry provides their religious fulfillment. And without faith, they have no belief in reward or punishment and a world to come. They live for the here and now.

Many of these oligarchies are in the drug and arms trade through well-distanced intermediaries (like so many of the large banks).

The Masonic-controlled Swiss banks owe their existence to these families. In 1815 the Jesuits and their Freemason allies among the crowned heads of Europe held the Congress of Vienna, whereby Swiss neutrality (already sanctioned by the Peace of Westphalia in 1648) was forever guaranteed; and no matter how many wars are provoked in which the common man has to do the fighting, the money of the Nobility in Switzerland should always be free from plunder.

It's part of Rothschild's meticulous long-range planning, and why Switzerland exists to this day. But that doesn't mean your money would be safe. Some US\$280 billion p.a. in flight capital and drug money flows into the Swiss accounts of the Black Nobility.

The place of Freemasonry in the power structure of the elites is quite evident as they carried through Adam Weishaupt's conspiracy to avenge the Jesuits after their abolition in 1773 by short-lived Pope Clement XIV as "immoral and a menace to the Church and the Faith". By launching the French Revolution and directing Napoleon's conquest of Catholic Europe, and by revolts against the church in Mexico and Latin America, they

cut-off Vatican income.

Nathan Rothschild's financing of Britain resulted in the defeat of Rome's enemy Napoleon, (as well as being the source of his wealth and influence). Since Gregory XVI conferred a Papal decoration on Kalman Rothschild for loaning the Vatican five million pounds in a period of difficulty, [the Rothschilds](#) have been the fiscal agents of [the Vatican](#).

With Vatican interests at heart, the Rothschilds extended their financial and political dominion in the United States.

The Vatican's interest in the US was clearly revealed in the secret 1822 Treaty of Verona between Austria, France, Prussia, and Russia whereby the Jesuit Order pledged itself as the price of reinstatement to destroy "the works of Satan" it had established in setting-up, by revolution, representative governments such as the republics and "democracies" of France and the USA, replacing them with the only form of government approved by the church, rule by "divine right", as declared by the Vatican (Daniel 2:42-43; Revelation 17:12-13).

As Senator **Robert Owen** pointed out to the US Senate in 1916, the prime target to which the Vatican and the "Holy Alliance" directed the subversive and destructive activities of [the Society of Jesus](#), in the United States, and other republics in the Western hemisphere. This plot, he claimed, was the target at which the *Monroe Doctrine* was directed.

What the Senator does not realize is that the Monroe Doctrine protects the interests of *The City of London*.

The Rothschild-Vatican cabal unsuccessfully attempted to gain control over the power of the purse in the US through the First and Second Bank of the United States. They were established under emergency powers granted to the President by the Constitution, as temporary institutions to tide the country through the periods of financial stress occasioned by the Revolutionary and 1812 Wars. But the aims of the conspirators to establish a banking monopoly were thwarted by the Constitution. Until [the FED](#).

It is said the Black Nobility promised a neutral Germany if Soviet Russia allowed East and West Germany to reunite. And that Russia promised to see that all royal houses are restored to the rightful heirs if they decouple Europe from the American Alliance.

Imperial nobility enjoy a more elevated status than the nobilities of the German successor states and, indeed, of the Italian states. The descendants of *Italian Holy Roman Empire* titles have formed an Association to which all male line descendants of someone ennobled by Imperial Patent is entitled to belong.

And the Principality of Liechtenstein has also claimed the ability to confirm a succession to Imperial titles, and has confirmed the right of a Spanish noble man to heir such a title for purposes of the Spanish law requiring the successor state to confirm that the claimant to a particular title is in fact the heir. Thus there is a remaining jurisdiction, even though no Imperial titles have been conferred since 1806.

In 1963, the Holy Roman Empire Association (*Associazioni dei Nobili del Sacro Romano Impero*) was established to unite male descendants in its membership who are invested with nobility of the Holy Roman Empire. It also includes a number of honorary members.

According to [William Cooper](#)'s book "Behold A Pale Horse", which I am coming more and more to appreciate, all nations have agreed to relinquish sovereignty to the Pope and submit future problems to the Vatican for solution once the [NWO](#) is established. This I have been unable to confirm but in general, this is what will happen.

"All nations" can only refer to the Black Nobility who have agreed to relinquish sovereignty to Rome in return for the restoration of royal power under a NWO.

This was foretold in *Daniel 7:20 and Revelation 17:12-13*,

"The ten horns which you saw are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast."

These ten horns were ten kings, represented in Daniel 2 by the ten toes of the image King Nebuchadnezzar saw in his dream. They are the royal houses into which the old Roman Empire was divided after the fall of the last emperor Romulus Augustus, in AD 476.

They were Alemanni (Germany), Franks (France), the Burgundians (Switzerland), the Suevi (Portugal), the Anglo-Saxons (Britain), the Visigoths (Spain), the Lombards (Italy), Vandals, Ostrogoths and Heruli. The last three were German tribes destroyed by the Pope for refusing to become Roman Catholic "Christians" (*The False Prophet, The Beast and The Times of The Gentiles*).

Although their thrones will not be returned, their royal authority as kings will be recognized by Rome so long as she rules the NWO. Revelation 17:13, "These have one mind, and shall give their power and strength unto the beast."

This explains Brother Branham's prophecy about *Rome CONTROLLING the gold*:

"The whore, Mystery Babylon is seated on the beast. She is controlling the last, or fourth empire. This Roman Church is doing that. With the world church system under her, Rome will be controlling, and this image (church system) will be obedient to Rome because Rome CONTROLS the GOLD of the world. Thus all the people have to belong to the world church system

or be at the mercy of the elements for they cannot buy or sell without the mark of the beast in the hand or head"

(Church Ages, 376:1).

The *Black Nobility* belong to the "Committee of 300" that controls [the UN](#).

Prince Bernhard of the Netherlands has the power to veto the Vatican's choice of any pope it selects. This may explain the untimely end to Pope John Paul I's 33-day pontificate. The Prince has veto power because his family, the Habsburgs, are descended directly from the last Roman emperor. (The Habsburg Frederick III was the last emperor to be crowned in Rome; his great-grandson Charles V was the last to be crowned by a pope.)

This is the civil equivalent of the Pope's claimed "apostolic succession" from Saint Peter.

Prince Bernhard is leader of the Black Families and he also claims descent from the House of David through the Merovingian dynasty, a claim that was acknowledged to be valid by the Carolingian dynasty that supplanted them, by other monarchs and by the Roman Church of that time. Thus he can truly say that he is "related to Jesus".

Prince Bernhard's House of Orange had its origins in France. The Habsburgs are related through marriage with the Merovingians, who are said to have descended from the Tribe of Benjamin who went into exile following war with the other eleven Tribes.

Exile took them to Arcadia in the central Peloponnese, Greece. Here they aligned with the Arcadian royal line and towards the advent of the Christian era, migrated up the Danube and Rhine, through marriage engendering the Sicambrian Franks - the immediate forebears of the Merovingians, who were ultimately of Semitic or Israelite origin, and descendants of King Saul.

They are identified with the Spartans, and both books of Maccabees link the Spartans with the Jews. *I Maccabees 12* tells of Jonathan sending a letter to the Lacedemonians (Spartan Greeks) asking for their help, since they were brethren.

The Spartans replied,

"It is found in writing, that the Lacedemonians and Jews are brethren and that they are of the stock of Abraham"

(verse 21).

It is assumed by some writers that this means the Spartans were Israelites, but the Spartans were not Israelites they were Edomites descended from Bela son of Beor and brother of Baalim, and king of Edom (Genesis 36:32; I Chronicles 1:43). Edom was the son of Isaac and grandson of Abraham who sold his birthright, and bred his posterity off the Book of Life.

Early in the fifth century the Merovingians established themselves in what is now

Belgium and northern France. There they adopted the Cabalistic pseudo-Christianity of the Cathars, a dualistic religion that holds there are two eternal gods, the god of Good and the god of Evil. It is revealing that this Luciferian belief is held by those who *would be Masters of this world today*, and who claim that Lucifer will ultimately be victorious.

Under Clovis I, who reigned from 481-511, the Franks converted to Roman Catholicism. Through him, Rome began to establish undisputed supremacy in Western Europe. In return for being the sword of Rome whereby the church would manifest her power and impose a spiritual dominion, Clovis was granted the title of "New Constantine" and to preside over a unified "Holy Roman Empire" based on the church and administered on the secular level in perpetuity by the Merovingian bloodline. Like "the sure mercies of David", this was a pact that could be modified, but not revoked, broken or betrayed.

They believe *Jesus* survived the cross and married Mary Magdalene who bore his son then lived in seclusion in the south of France. During the fifth century this lineage is said to have married with the royal line of the Franks engendering the Merovingian dynasty.

When in 496 the church pledged itself in perpetuity to the Merovingian bloodline it was presumably in full knowledge of their claimed identity. This would explain why Clovis was offered the status of Holy Roman Emperor, and why he was not created but only "crowned" king. In 754 the church clandestinely betrayed its pact.

The [Prieure de Sion](#) is the name of the secret order which created the [Knights Templars](#) as its military and administrative arm. (See [A History of the Knights Templar and Their Involvement With the Priory of Sion](#) - It should be remembered that the *Knights Templars were the forerunners of Freemasonry*.) The *Prieure de Sion* continues to function through the centuries, acting in the shadows, and has orchestrated certain critical events in Western history.

It exists today and is still operative. Its declared objective is the restoration of the Merovingian dynasty and bloodline - to the throne not only of France, but of other European nations as well - a restoration that is sanctioned and justifiable, both legally and morally.

There is strong evidence to suggest that this Jewish order was the author of Freemasonry, and "[The Protocols of the Learned Elders of Sion](#)", as well as the Rosicrucians. There is abundant evidence to suggest that Nostradamus was one of their secret agents, and there is no question that numerous quatrains which refer to the advent of "Le Grand Monarch" indicate that this sovereign will ultimately derive from the Merovingian dynasty.

Implying a double hegemony of the Papacy and the Empire, of the Vatican and of the Habsburgs. He frequently referred quite explicitly to the Knights Templars and to the house of Lorraine which is now synonymous with the Habsburgs.

Although deposed in the eighth century, the Merovingian bloodline did not become extinct. On the contrary it perpetuated itself in a direct line from Dagobert II and his son Sigisbert IV. By dint of dynastic alliances and intermarriages, this line came to include Godfroi de Bouillon, who captured Jerusalem in 1099, and various other noble and royal families, past and present - Blanchefort, Gisors, Saint-Clair (Sinclair in England), Montesquieu, Montpezat, Poher, Luisignan, Plantard and Habsburg-Lorraine. At present, the Merovingian bloodline enjoys a legitimate claim to its heritage.

The crown of Charlemagne - a replica of which is now part of the imperial Habsburg regalia - is said to have borne the inscription "Rex Salomon" (Encyclopaedia Britannica, 14th Ed., 1972, Crown and Regalia, Fig. 2).

And the "Spear of Destiny", which is said to have pierced *Christ* reside today in the Treasure House, Vienna, awaiting another Holy Roman Emperor (The Rigby Joy of Knowledge Library. History and Culture I, 1977:160; The Holy Roman Empire, Friedrich Heer, p. 284).

It is clear why the "Protocols of the Elders of Zion" speak of a new king "of the holy seed of David" (*Holy Blood and the Holy Grail*, Baigent, Leigh and Lincoln).

Otto von Habsburg is today the titular *Duke of Lorraine and King of Jerusalem*.

The Priore de Sion claim to hold the lost treasure of the Temple of Jerusalem plundered by Titus in AD 70 which would be returned to Israel "when the time was right". This might explain why Rome must defer to the "kings of the earth" and how she will seal a covenant with the Jews who have long hidden behind the shield of baptism.

Prince Bernhard is in fact related to the Khazars, and therefore a Gentile.

Assisted by the CIA, Prince Bernhard has brought the hidden ruling body of the Illuminati into public knowledge as De Bilderberg Group. (Established in 1954, its headquarters is 1 Smidswater, Den Haag, Nederlands.)

At the heart of the Bilderberg Group are 39 members of the Illuminati chosen from three committees drawn from the members of all the secret groups that comprise the Illuminati:

1. the Freemasons
2. the Vatican
3. the Black Nobility

This committee works year round in offices in Switzerland.

The "[Committee of 300](#)" now call themselves *World Government Founders for the NWO*. A reference no doubt to their hereditary claim to the "Divine Right of Kings". It is imperative that we realize that privately, the Black Nobility refuse to ever recognize any government other than their own inherited and divine right to rule.

They believe the United States still belongs to England. And work diligently behind the scenes to cause conditions whereby they might regain their crowns. Every royal and so-called noble dynasty past and present of Europe have seats on the "Committee of 300", most often by nominees. There are just too many of these "royal" families for them each to have representatives on the "Committee of 300".

Precedence is determined by rank: first royal family members, then dukes, earls, marquises and lords, then finally "commoners", who usually get the title of "Sir". (Conspirator's Hierarchy: The "Committee of 300", Dr. John Coleman.)

The *Order of St. John of Jerusalem, Hospitallers*, or [Knights of Malta](#), is a Black Nobility order which operates as an agent for British Intelligence in various parts of the world, and as a cover for drug-smuggling operations, notably the drugs for diamonds part of the trade. (The Order of St. John of Jerusalem, John Coleman; [Dope Inc.](#), Senator Lyndon LaRouche.)

They have their own Constitution and are sworn to work toward the establishment of a NWO with the Pope at its head. Although the Order no longer exercises territorial control, it issues passports and its sovereign status is recognized by the Holy See and scores of Roman Catholic states. Membership in certain ranks is confined to Roman Catholics and many knights have diplomatic immunity.

The High Master of the Teutonic Knights the Grand Prior of Germany of the Order of Saint John (Malta), and the Master of the Knights of the Johanniter Order also had seats in the Imperial Diet of the Holy Roman Empire, ranking as Princes of the Empire.

On 26 November 1963, an Alliance was consolidated with the signing of a joint declaration between the Sovereign Military Order of Malta and the Most Venerable Order, at St. John's Gate, London. One more rapprochement between Rome and the Protestants.

Allegedly among their number are:

- Australia's Governor General, Sir William Dean
- NSW Police Commissioner, Peter Ryan
- George Bush
- Alexander Haig

- President of Canadian Pacific, John Gilmer and co-directors W. E. McLaughlan, Chairman of the Royal Bank of Canada, J. P. W. Ostiguy, and Sir Michael Turner, ex-Chairman of Hong Kong & Shanghai Bank
- Michael Sandberg now Chairman of the Bank
- Charles, Sam, and Allan Bronfman
- the late Joseph Kennedy
- Henry Kissinger
- Robert Rubin, Alan Greenspan of the Federal Reserve
- Colin Powell of Gulf War fame
- James Wolfensohn of the World Bank

According to *Brother Branham*,

"... the church system of the Roman Catholic and the Protestant in COMING TOGETHER will CONTROL the WHOLE WEALTH of the world system and force the whole earth into its religious trap, or will kill them, by refusing them the privilege of buying and selling whereby they would make a living.

This will be accomplished simply, for the harlot's daughters are all but gone back to her. In the meantime, Rome has ACQUIRED nearly all the supplies of GOLD. The Jews have the bonds and all the paper.

At the right time, the harlot will destroy the present-day money system by calling in all the paper, and demanding gold. With no gold, the system falls. The Jews will be trapped and come into the alliance, and the harlot church will take over the whole world"

(Church Ages 314:1).

Let's talk about gold for a few minutes:

On September 30, 1931, British Prime Minister and Fabian Socialist **Ramsay MacDonald**, took Britain off the gold standard in obedience to the "Committee of 300".

In 1933, as one of his first presidential acts, FDR declared a banking holiday and ordered all US citizens to turn in all gold in their possession to the Treasury. Roosevelt handed over the gold supply of the USA to the privately-owned tax-exempt [Federal Reserve](#), as the Seal of Solomon was attached to the Shield of Britannia, and the Judaistic symbol of the Serpent was placed around her Trident.

(In "[Confessions of A Monopolist](#)" **Frederick Howe** wrote:

"These are the rules of big business. They have superseded the teaching of our parents, and are reducible to a simple maxim: Get a monopoly; let Society work for you; and

remember that the best of all business is politics, for a legislative grant, franchise, subsidy or tax exemption is worth more than a Kimberly or Comstock lode, since it does not require any labor, either mental or physical, for its exploitation.")

Next gold was revalued to US\$35/oz, causing a dollar devaluation to 59.06% of its former gold value, and creating a profit for the US Treasury of US\$2.8 billions.

In 1944, Soviet agent **Harry Dexter White**, Assistant Secretary of the Treasury, crafted the *Bretton Woods agreement* that created WB, IMF and GATT. These measures robbed the US of its monetary gold. Inflation was institutionalized and a mechanism was created for US tax dollars to finance steel mills and factories world-wide to compete with American industry (unprotected by tariffs).

In 1933 the U.S. owned 40% of the gold in the world. The debt of the US in 1963, was \$1.25 trillion, and gold, subject to call by foreign nations, exceeded by \$16 billions, the amount on hand at Fort Knox. By 1963, it was said that the Rothschilds had withdrawn all the gold from England and the United States to their coffers in France, Belgium, Switzerland and Holland. Remember that name.

In August 15, 1971, Nixon broke with the Bretton Woods agreements so carefully devised by the Bilderbergers and other elite planners and the US went off the gold standard. In 1973, gold hit US\$850, after Russia invaded Afghanistan.

In December 1975 the Group of Ten agreed the BIS could be used to purchase IMF gold for central banks that wanted it. In 1976 the IMF announced that gold would be replaced by SDR as its reserve. Since then, the IMF has been auctioning off its gold holdings.

"Somebody" has been purchasing all of this gold. The power of our national governments was their control over exchange rates. Since this power is now in the hands of private interests like the WB and IMF, national governments have (already) fallen to the NWO.

Did you hear what I just said? FDR claimed:

"In politics, nothing happens by accident. If it happens, you can bet it was planned that way."

GK Chesterson wrote:

"The proper study of political mankind is the study of power elites, without which nothing that happens could be understood."

"These elites, preferring to work in private, are rarely found posed for photographers, and their influence upon events has therefore to be deduced from what is known of the agencies they employ."

"Their goal was to work through such agencies, and financial support received from one or other or all three big American foundations - Rockefeller, Carnegie, and Ford - provides an infallible means of recognizing them."

He said in candor:

"At times Capitalism and Communism would appear to be in conflict, but this writer is confident that their interests are in common and will eventually *merge for one-world control*. That policy outlined previously in Woodrow Wilson's Point Six has never been dropped. Capitalism and Communism, in terms of power, are merely their twin mechanisms to destroy the sovereignty of christian nations.

They will merge them into the projected super-state, where their financial power will exercise full sway and masterdom through that monopoly of atomic energy which is being sought with such feverish and fiendish persistence."

The Armageddon Plot

by Fritz Springmeier

from [TheForbiddenKnowledge](http://www.TheForbiddenKnowledge.com) Website

The *Word of God* teaches that there will be a future, visible, personal coming of *the Christ* who left Palestine approximately 2,000 years ago.

This article exposes a plan to co-opt that teaching so that the satanic hierarchy of [the Illuminati](#) can install their own great "Christ". Their agents have worked both inside and outside of Christendom to co-opt "end-time prophetic" expectations. The Illuminati has encouraged false doctrines within the so-called *Christian churches* to the point that these false doctrines have become entrenched as religious idols.

Many Christian churches have left off their *first love* (*Christ*) and are now active agents for supporting Big Brother and idolatry. Other churches have neutralized and neutered Christians so bad they are like salt that has lost its saltiness. Others are unbalanced in their end time doctrines, teaching false doctrines that set the stage for the Illuminati agenda. The net effect of all this, is to place all people in danger of a great end-time *Anti-*

Christ delusion, as well as many minor deceptions.

My approach in presenting this information is to keep this article brief and easy to read. Rather than bog the reader down with Bible verses and complex arguments, I have chosen to touch on several controversial issues only lightly. The only alternative would be to plunge the reader into debates that could fill libraries. I believe that even though I have not attempted to prove all my statements by writing book-length defenses of my statements (and thereby turning this into a book), that the reader will appreciate the article if he or she persists to the end. Before I discuss **the Illuminati** directly, let me lay the groundwork for how the churches have been neutered.

One of the most dangerous and unscriptural teachings is dispensational pre-millennialism. (One of the problems it presents Bible believers is that it believes in more than one way of salvation—although this scriptural defect is rarely admitted by its promoters.) Many Christians and non-Christians are not even aware of what Dispensational Pre-millennialism is (nor do they care), but most have heard prophetic ministries on television, which warn us what the Bible predicts based on this system of interpretation of the Bible.

One way that you can spot this doctrine is that its believers believe that they are going to be *raptured* because supposedly *God* doesn't want them to suffer. (Which is contrary to what *He* says in *His Word*.) They will not challenge the evil global dictatorship that continues to tighten its grip on us like a boa constrictor because they are going to be magically whisked away from trouble. (They tell me, "It doesn't matter what I do, I'm saved and am going to be raptured.")

When good no longer will confront evil, the salt has lost its saltiness. It may be asked why *God* is leaving saints here on planet earth if they are not to confront *Satan's kingdom*? It is no exaggeration for me to say that hundreds of these dispensational pre-millennialists have told me that to fight the New World Order is to fight *God*. Since when do *the people of God* acquiesce to evil?

Dispensational pre-millennialists, who are of course double pre-s, believing also in a prêt rib rapture, have captured the popular attention of Bible believers today, even though many of the seminaries, which used to teach it have discarded this system due to its proven un-scripturalness. Dispensational Pre-millennialism is associated with its founders the Jesuits, its promoters **Darby** and **Schofield** (both lawyers), and its advertisers in our present day, the popular television ministers. Its flexible doctrines lend themselves to sensationalism and emotionalism. Additionally, its promoters have at times been like wolves attacking anyone who would dare not share their multitude of arrogant interpretations.

I write arrogant, because for over 150 years, **pre-millennialists** have repeatedly been

proven wrong by events, their false predictions are quietly forgotten, but their arrogance continues. Just one example of many pre-millennialists would be the Jehovah's Witnesses, whose original name during the first half of *the Watchtower's history* was *Bible Students*.

The Bible Students (from the 1930's on known as Jehovah's Witnesses) predicted that the end was coming in 1874, 1878, 1914, the end of W.W. I, 1925, 1940, 1941, Oct. 1975, and then highly likely in 2000. **Charles T. Russell** was in a white robe on the 6th St. Bridge in Pittsburgh, PA with his followers waiting for the rapture on the Memorial night of *Christ's death* in 1878. Later in 1914, they were waiting in the Bethel dining room in Brooklyn, NY to be *raptured* up.

These dates were presented as "written in stone". They were advertised as *God's* dates, and anyone who suggested that they might not happen was of the devil, an opposer of *God*, who didn't believe the Bible. I personally remember Jehovah's Witnesses who sold their houses and didn't marry because the Watchtower Society told them the end would be 1975.

The problem was that these dates were always portrayed as *God's* definite date—let's exactly quote the Watchtower Society's portrayal:

"...it is beyond the breadth and depth of human thought, and therefore cannot be of human origin [i.e. its *God's* date]."

"...definitely marked..."

"...is even more distinctly indicated by the Scriptures because it is fixed by the law *God* gave to Israel."

"...Armageddon is very near. It behooves all who love righteousness to put forth every effort to advertise THE THEOCRACY while the privileges are still open."

What is also very interesting about **C.T. Russell** and the Watchtower Society which is revealed in three of my books (*The Watchtower & the Masons*, *Be Wise As Serpents*, *Bloodlines of the Illuminati*) is that C.T. Russell came from an Illuminati bloodline, the hierarchy of the WT Society is Illuminati, and that they (the Watchtower Society) received financial support from Jewish financiers, the B'nai B'rith and Freemasonry. **Russell** himself was a **Freemason**. The connections between the Illuminati and the Watchtower Society continue to this day.

The Watchtower Society is perhaps the best example of an Armageddon preaching religion and they are Illuminati sponsored. Most groups calling themselves Christian have various ministries that they emphasize such as benevolence, running hospitals etc., but the *Jehovah's Witnesses* have all their spiritual eggs in one basket, the preaching of Armageddon.

The Illuminati have also supported other Pre-millennial groups, and their promotion of the Armageddon warning. I have exposed other Freemasons besides C.T. Russell, who

are religious leaders, who are also supported by the Illuminati, and who have preached Armageddon. Just one of many is the Freemason William Miller, whose end-time prophecies in the 1840's caught the attention of many in America and Europe, and helped lay the groundwork for another "end-time" Masonic project, the Bahai religion (now associated with [the United Nations](#)).

So the big question is: WHAT DO THE GENERATIONAL SATANIC BLOODLINES HAVE TO GAIN FROM PREACHING WORLDWIDE ABOUT **ARMAGEDDON**? At first thought, it would seem that they would not want to advertise something from the Bible. But they are and are using many groups and many forms of the same general message.

Actually, while Christians have been preaching the "end-times", so have many of the hard-core occult groups associated with the Illuminati. For instance, Hans Hofer, a Fabian Socialist and student of Fabian Bertrand Russell, has written about the coming *Golden Age*. The Golden Dawn, a satanic lodge system, is another example of a hard-core occult group warning about **Armageddon** (for instance their publications *This Final War*, and *Watch Jerusalem*).

This last decade, the Illuminati gave the green light to finance Hollywood movies that showed natural disasters, so that the public has been inundated by movies about natural disasters of all kinds, (which are often referred to as "the Wrath of God").

Art Bell's radio show is a reflection of the popularity of end time predictions and scares. Art Bell uses an Illuminati logo and has said he is a Freemason. All this, as well as his guest list, which is full of Illuminati/CIA agents, suggests that he is sanctioned on the air by the Illuminati. Whatever the case may be, the popularity of his show indicates the mood of the times, which is being encouraged by Illuminati financed broadcasters.

I have written a good number of articles about weather modifications, and the evidence of how many of our natural disasters (famines, tornadoes, floods, earthquakes, etc.) are being encouraged by [weather modification](#). There are many avenues that **the Illuminati** is taking to create the appearance of the end-times. "Appearance" may not be strong enough language for the person who has to endure his home being destroyed by a flood or earthquake. I use this word only to emphasize that problems are being artificially created worldwide.

Indeed, people who I have worked with who I helped out of the Illuminati confirm that the Illuminati do indeed have an agenda to use the concept of Armageddon for their own ends. This returns us to the question, what do they have to gain by scaring us with Scriptures?

Evil is so devious that it has consistently tried to co-opt and control the truth of the *Word*

of God. The men who were behind *Christ's martyrdom* were [the Bible](#) scholars of his day. These men were occultists. They used *the Bible* for their own arrogant purposes. Today, within the Illuminati is an arrogance. They have run this planet for hundreds of years. Their occult power has not been seriously challenged or stopped by *the God of the Bible*. They haven't seen any lightening bolts from heaven ordering them to stop.

Actually there have been a number of strong witnesses of *God's* power to these generational satanic families, but in general most of them are too arrogant to accept any witness from *God Almighty*. In reality, the Illuminati's power is ultimately that of a paper dragon, but its appearance is very frightening. The point is, the movers and shakers do not have a proper fear of *the God of the Bible*, so they think they can use *the Bible* for their own agendas.

I can think of numerous benefits to **the Illuminati** to preach **Armageddon** including the following:

- The fear about disasters puts us into a survival mode and rather than think about concepts such as freedom and faith in *Christ*; we are easy to manipulate because we will do most anything to survive. ("Help us, we need [FEMA](#), and please give them total dictatorial emergency powers.") Fear and trauma are also key components to their total mind-control.
- It makes *the God of the Bible* appear **wrathful** and **cruel**, while they can present their *Lucifer* as a light bearer, as one who liberates us from all the cruel harsh arbitrary rules of *God*. While this is not what *God* is really like, people have *YHWH* *God* is so often misrepresented that people tend to believe *God* is cruel. El Niño, with its disastrous warm currents and weather effects, was the Spanish name meaning "*the Christ child*". Why don't we name natural disasters after demons?
- They are attempting to control events and disasters in order to install their own "*Christ*" and thereby use their opponent's holy book to legitimize their own world ruler. This ruler will be able to save us from our troubles, just as **Hitler** saved Germans from their troubles during the first few years of Nazism. Appreciation for *the Bible's wisdom* is reduced by all the wild end-time theories that the Bible seems to support.
- One important purpose of **Armageddon** preaching is the creation of a one-world government. National governments and nationalism can be destroyed, because entire countries are being taught that nationalism is evil. While *Christ* taught us to respect all men, love for one's family and nation is not evil. I can love my country and still appreciate that you love yours. I can love my family and still appreciate you love yours. Nationalism does not have to be an evil.

- On Thanksgivings Day we tend to renew family ties in this nation. No one would suggest that Thanksgivings Day is dangerous. Our love for our nation (our extended family) could also be that benign if our evil leaders didn't create unnecessary wars to pit us against each other. There have been clan wars, royal bloodline wars, mafia and other family feuds, and this shows us that even family ties can lead to violence.

But my point is that the love of the family and nation are not inherently bad, and are not condemned in *the Word of God*. [The Word of God](#) actually wants us to honor our families and nations, and asks us not to destroy them or their boundaries. Most people are unaware that in some areas of Africa, the [Watchtower Society](#) is the biggest religion, and their **Armageddon** teachings have totally destroyed any chance for certain relatively new African nations to claim the allegiance of their people.

Another big benefit of these Armageddon teachings is to stop people from resisting their agenda. People are taught that to resist these disasters is to resist *God*. People are taught that to resist the One-world-government is to resist *God*. Another great side effect is that genuine *Bible* believers who have correctly understood scripture can be mocked and discredited. In the long run, [the Bible itself is discredited](#).

For instance, Chinese believers in China prior to the Mao's Red Chinese takeover were told that they would be raptured before they suffered any tribulation. The communists took over and tortured and *martyred* millions of Chinese *Christians* who mistakenly thought the *Bible* taught that they would be raptured before any suffering. The *Bible* was widely discredited, because it had been mistaught.

So I have shown the reader that **the Illuminati** has already used [pre-millennial Armageddon](#) teachings and rapture teachings to discredit the *Bible*, destroy trust in *God*, remove trust in honest *Bible* interpreters, and to promote their own agenda for a One-World government and a world wide savior (a "benevolent" dictator similar to Hitler) who will rule the planet. Their disdain and arrogance toward *God* can be seen in their audacity to spread the use of the *Bible* through institutions they control.

They think they have the power to control *its message* and use. They may control essentially all of organized religion (which was what *Be Wise As Serpents* documented); and they may control the weather to some extent (which I've documented in other writings)-- but they do not control the hearts of *God's people*.

This is one place they underestimate the power of the *Word of God*, and *God* has chosen the weak things, the insignificant people, to *show His power*. And really what will these powerful men gain, if they gain the entire world and lose their own souls???

To Love Or Hate - Know Your Enemy

A Look At The Details Involved In The Creation Of A Third World War

by Fritz Springmeier
from [Whale](#) Website

In this article I hope to provide the reader with many specific (and often little known) details concerning the creation of what may evolve into an actual third world war. The latest manufactured crisis has already taken on global proportions.

This article has been written in response to people repeatedly asking me, "Are we headed for W.W. III?" This is a valid question considering **Osama bin Laden** has been circulating the manuscript of his unpublished book (which he wrote) entitled *America and the Third World War*. For years, I have been looking beyond the theatrical symbols of the world's movers and shakers and examining the underlying realities. These [global elite](#) would not dare let you know their plans, but I will provide you with more details so that you might know your enemy, for whether you chose to love or hate your enemy you need to know them.

I will organize this information into two parts:

A. THE OUTLINE OF THINGS

B. DETAILS OF SPECIFICS, first [Osama bin Laden](#), & then second, the creation of a viable [Moslem threat](#).

THE OUTLINE OF THINGS

In my intense study of the world's elite, I have come to realize a profound truth; these men know how to control humans by directing the way the human mind likes to think. Their methods to mind control are not so much to conquer the mind, but to direct its natural paths of thinking in the direction they want it to go. If you understand this principle it will help you understand how the natural desires of Muslims, Christians, secular Corporations, Jews, Palestinians, Americans, British, Afghanis, Iraqis, etc. are being **manipulated** into a large confrontation, a confrontation that was planned even before Jewish immigrants began to pour into Palestine to create Islam's first big sore spot called "**al-Naqba**" (Islam's "Holocaust" in Palestine).

Before providing the details, allow me to give the bigger pictures. The present crisis was originally planned in the 19th century. The script for the crisis called for an incredible theater of puppets. The goal is the elimination of fundamental religions, Christianity and Islam, and the control and the enslavement of planet earth. The [WTC attack](#) is the tip of

the iceberg to this manufactured crisis, and the beginning of more sad events. This is the biggest picture.

The Moslem world has had a predictable pattern with the west (European culture). In fact there is a book, which provides Muslim country by Muslim country, year by year, the history of how this cycle has occurred. The Moslem world goes through a cycle, one phase is where it adopts technology and liberty from the west and then the other phase is where it rejects what is foreign and goes back into Islamic fundamentalism. Different areas of the Moslem world are at different phases at any given time. The Moslem world has usually not had all of its territories in the same phase at the same time. The world's movers and shakers have aggravated and manipulated this natural cyclic pattern.

Carroll Quigley, the famous establishment historian writes in *Tragedy & Hope* in 1966, "The destructive impact of Western Civilization upon so many other societies rests on its ability to demoralize their ideological and spiritual culture as much as its ability to destroy them in a material sense with firearms.... It is possible that new civilizations may be born in the debris from the civilizations wrecked by Western Civilization... In this wreckage is debris from Islamic, Hindu, Chinese and Japanese civilizations.... The birth of a powerful civilization at any or several of these points... would serve as a counterbalance to the expansion of Soviet Civilization on the land mass of Eurasia."

(Tragedy & Hope, p. 14)

Quigley had a sense of what the elite were doing. He predicted that Western Civilization and Russia would be challenged by a **rising Asian civilization by 2000**, which turns out to be Islamic fundamentalism. (Ibid. p. 21) While the politicians of the world allow themselves to look incompetent, the movers and shakers (the puppeteers) know in a very detailed way what they are doing and the effects that their actions are causing. The West's leadership has had very detailed studies about the Islamic world and what the impact of certain actions will have.

Their detailed plans have been repeatedly leaked in vague ways to the unsuspecting public. For instance, **H.G. Wells**, one of their *Fabian Socialist-Masonic-Illuminati* prophets, in his film "*Things to Come*" made in the **late 1930's**, shows delta-winged planes (resembling stealth fighter-bombers) flying over **Iraq's** oil fields to bomb.

- Afghanistan, Pakistan, and the Sudan were used as incubators to create fierce Moslem fundamentalist Jihad warriors.
- Palestine, Lebanon, Somalia, Afghanistan, Iraq, and other spots were used to create incidents that would fuel natural passions.

When one realizes that the non-Islamic leaders (i.e. the U.K., U.S., USSR etc.) who subtly helped create these incidents had advisors who knew totally well how these incidents would create Islamic fundamentalism, it is impossible not to realize that the **catalyst that created Moslem fundamentalism** turns out to be the global elite themselves.

Of course, Islamic fundamentalism is a natural reaction to the modernization, secularization, and corruption that is accelerating in what is termed “the West” (European civilization). Such a strong reaction to the sinfulness of the West has taken place that the Sunni and Shiite fundamentalists are in full collaboration. Devout Christians who hold to wholesome family values, freedom from global corporate tyranny, and the destruction of communities are also having some similar “reactionary” reactions to the New World Order. Christian fundamentalists turn to the Bible and Biblical law, and the Moslem of course turns to the Koran and its Sharia (Islamic law). The trick of the elite is to harness those natural reactions to destroy their opposition. This is why both the Christian Patriot movement and the Islamic fundamentalists are infiltrated with agent provocateurs who will encourage both groups to run to their own destruction.

The elite are not above actually stepping in and taking leadership of their opposition. This is why **George Hunt** discovered that the Rothschilds and Rockefellers and other leading capitalists were leaders of the **UNSED** environmental activities. This is why the anti-big corporation movement that rioted in Seattle against the **WTO**, has its share of connections back to the elite. This is why many of the leaders of Islamic fundamentalism have ties back to powerful rich Capitalists or Communists. (Communism has been a great front for the elite.) While I am not attacking the concerns of the Islamic fundamentalists, I am pointing out that their leaders are tainted with puppet strings. Moslems have threatened me in the past for being so frank.

As an example of someone who heralds himself as a third alternative to capitalism and communism and yet has ties to both is **Col Qaddafi** of Libya. Without outside help he would not survive in power. I personally noticed that Col. Qaddafi of Libya maintained his popularity with his people because he came into power at the same time that big oil money flowed into Libya. He was able to associate himself in the eyes of his people with prosperity. Rich capitalists, (such as the Bush family, the Rockefellers, the Royalty of England and the Netherlands, to name just a few) are behind the oil companies. Americans have operated the oil fields that provided Quaddafi the money to remain popular with his people. Behind those Americans technicians were Capitalists who controlled or even became political figures.

The script calls for a primary “bad guy”, in this case Bin Laden, who like other modern “bad” guys, actually is quite popular with fundamentalist Muslims. Actually a number of *bad guys* have been **created**, and we will examine some of the details of these. The puppet strings of many of the leaders of around the world can be discerned by looking at their affiliations, their training, their genealogies, their fraternal memberships and their actions. These puppet strings ultimately go back to the global elite. For instance, the elite here in America verbalized to each other how pleased they were with **Saddam Hussein’s** destruction of things.

Islamic fundamentalists would say that Allah is responsible. If the West's leaders had seriously wanted to halt the rise of Islamic fundamentalism, they had the ability to do so, but they added fuel to the fire at each step. My point is that the rise of fundamentalism is being **encouraged** and **manipulated**.

- How convenient for Israel that Iran has its religious revolution and then goes to war with Iraq.
- How convenient for all the corporations in the West and the Soviet Union that supplied materials for the long war and the attempts to rebuild after the war.
- How convenient for those who made profits off of oil and gas and opium.
- Follow the money of Moslem terrorists, the CIA, the Illuminati elite, and the rich Gulf Arabs and you will find much of it met at [the infamous BCCI](#). ([Bank of Credit and Commerce International](#))

The fall of the West's puppet **Shah of Iran** was actually not a surprise to the elite. They had decided to let him fall. He had been empowered by America's **CIA**, and then abandoned when the time was ripe for a strong reaction. The man who replaced him, the Ayatollah Khomeini was British MI6. And tying together Saudi intelligence, Saddam Hussein's intelligence and Egyptian intelligence (and previously the Shah's CIA-led SAVAK) is a group called [the Safari Club](#) set up by French espionage. When you are aware of these kind of things, then you realize the insidious deceptive nature of this script. Different puppets, one script.

Look at the Moslem leaders like Jordan's **King Hussein**. He married an American and was a Freemason. The Shah of Iran's father was put into power by the British, and is descended from an old Jewish bloodline. The Shah joined a Catholic Military Order in 1958, and Jordan's King Hussein joined the Catholic Military Order of the Golden Spur in 1964. And then some of the Moslem leaders are Sufis. Syria's leader **Assad**, who is also a Freemason, maintains secret ties with Syrian-born Jews from Aleppo who are one of the groups plotting the Temple Mount conspiracy to build a Temple in Jerusalem. All these men have allegiances beyond Islam.

The Muslim world views itself as a single entity. This is embodied in the term pan-Islamism, which transcends nationalism. However, in my travels in the Middle East, I saw first hand that most Muslims also have allegiances to clans, language groups, nations, ideologies and sects. The West and Russia have meddled in the affairs of the Moslem world most of the 19th and 20th century, and have tried to work the different allegiances of the Moslem world to their own advantage. The Soviet Union took a very active role in helping to create *Greater Syria & a Greater Israel*. The New Right in Israeli politics was KGB controlled. The West managed to interject itself smack into the middle of the Moslem world, and there is a great deal of tension in the Moslem world about this. They feel that their civilization will not be safe until they eject the West (with its control

and influence) from the middle of their territory.

DETAILS

first, Bin Laden, and second, the creation of a viable Moslem threat

Now let's look at the script's top *Bad guy* **Osama bin Laden**. Osama bin Laden's family was on the inside track with the House of al-Saud of Saudi Arabia. Anyone who has had the opportunity to bump into Saudi princes here in America or Europe is well aware of their enormous appetites for immoral behavior. The King and Princes of Saudi Arabia have been provided any perversion they wanted by the West's elite. As a young man, Osama bin Laden was cut from the same cloth.

He loved fornication, alcohol and the pleasures of sin. Some of his brothers and sisters live in the United States, mostly in the Boston, MA area. He doesn't come from some poor Palestinian family that has suffered from Israeli tyranny. Instead he comes from a family that has tasted what the West has to offer. He has tasted of the *sins* that are associated with the West and has rejected that life. It's sad that that is the view of America that so many see. While the Bible Belt and America's traditional spiritual values are mocked and scorned by the establishment media, the liberal values that Hollywood treasures are in turn scorned by the militants who hate their intrusion into the Moslem world.

Osama bin Laden had several religious experiences, and turned his back on wealth and the life of *sin*. Even though he was a successful businessman with a university education, he lives the life of a warrior monk, along with his 4 wives and fifteen children. (No small responsibility, especially since each wife according to Moslem standards should be treated equally.) He has been reported to live in a cave with no running water. (His forces are also headquartered in remote deep well protected caves.) He has turned his back on the easy life, and technology and is waging a war against the non-Islamic world. Since America is the top power in the non-Islamic world and very active interfering in the affairs of the Moslem world, America has captured his negative attention.

Christians have long tried to tell secular Americans that the life of sin was an empty life. It is no surprise that Osama bin Laden lost interest in it. Osama bin Laden rediscovered his religious roots in medieval **Afghanistan** when he led their freedom fighters against the infidel Russians. He said, "One day in Afghanistan was like one thousand days of praying in an ordinary mosque." This is similar to the Baptism of Fire that the Christians talk about, which purges the weak sinner of what is insignificant in life and gets the pilgrim down to the real fundamentals of life, one's spiritual roots. I'm not saying that bin Laden found the right roots, but he certainly found the spiritual roots of Islam, which included Jihad against the infidel.

Besides Osama bin Laden, over 20,000 other Arabs traveled to Afghanistan to join in the holy war against the Russians. Pakistan and Afghanistan became the crucible where these individuals were turned into warriors with a kamikaze martyr spirit and the training and experience to make them deadly. Our **CIA** helped supply them. The Russians provided one side of the hellish fight; America helped provide the other, and out of the conflict comes a closely bonded experienced group of radical Moslem warriors. And **Osama bin Laden** was down in the trenches with them, sharing their dangers, and poor food. And the American elite's House of al-Saud helped finance Osama bin Laden & the other Arab volunteers (mujahideen) from all over the Moslem world.

There were **two events** had great impact on Moslem terrorism. One was done by the United States, the other by Russia.

- **America's contribution** was the "**al-Azma**" (literally Arab for "crisis"). The crisis was the American desecration of Saudi soil during Desert Shield/Storm. All of the Saudi religious leaders were against allowing the infidel American troops into Saudi Arabia. The global elite, as well as the House of Saud, knew that the Moslem world would be outraged for years, and they were.
- The **Russian contribution** was to carry out the covert sabotage of a C-130 plane carrying Pakistan's President Zia-ul-Haq on Aug. 17, 1988. His replacement, Benazir Bhutto, made it national Pakistani policy to support militant Islamic fundamentalists. Pakistan gave out special "tourist" visas and airline tickets were given out to Moslems who wanted to join the militant fundamentalists in their Pakistani training camps. Kosovo Albanians and Bosnian Moslems were some of those who came. They didn't come to liberate Afghanistan. They came to create militant Moslem groups in their own countries.

Another Russian contribution to things was Gulbaddin Hekmatiyar, a Muslim leader who they controlled, and who led one of the factions of Afghan resistance. His contribution was to fight other resistance groups and weaken the original Afghan mujahideen forces.

Next, it was Pakistan (still supported by the U.S.) who encouraged the Afghan mujahideen to carry out a large-scale conventional offensive against the fortress Jalalabad. In a fashion similar to the how the Viet Cong (southerners) were eliminated by the Tet offensive, and then the NVA (northerners) had complete control, the Afghani rebels lost large numbers of men, and were replaced by Pakistan's Taliban mujahideen force.

We can then see how through a series of actions encouraged by outside influences, the original Afghan forces were decimated and the fundamentalist Taliban, who were foreigners, could take over. In a sense, **Afghanistan** was still an occupied country; they traded the occupation by the Russians for the occupation of the Taliban.

In 1989, after the war, **Bin Laden** returned to Saudi Arabia as a popular war hero. He was popular with the Saudi Royal family, with whom he was still very close friends. He was also close to Saudi intelligence. Since the Saudi Royal family is clearly reprobate spiritually, by any standards, it is difficult to rationalize Bin Laden's loyalty to them, and to seriously continue to believe he genuinely believed in the tenets of Islam. Unless perhaps he has multiple personalities, which may well be the case. Bin Laden is now titled as Sheikh bin Laden, and is very respected across the Moslem world.

THE CREATION OF A VIABLE MOSLEM WAR THREAT

While an explanation of how this threat was created will not eliminate it, it is useful for us to learn how the bad guys' threat was created. The bad guys in the script had to have a viable dangerous army or threat. It has taken billions of dollars and countless wars and machinations by [the global elite](#) to finally get the fundamental Moslems to the point that they are both angry and a real threat.

In 1991, after the Afghan war wound down, the militant Moslem fundamentalists shifted from Pakistan to the Sudan. Iran contributed to this shift. The training of hard-core fighters occurred in numerous countries, but the center of activity shifted to Africa.

Anyway, prior to the Afghan War, the Moslem world lacked a large trained international cadre of dedicated warriors committed to fundamentalism. The Afghan war provided the perfect setting with which to create the hard core international Moslem cadre to create a third world war. It was the perfect setting because the United States, which protects Israel, could (without the contradiction looking too obvious) supply and assist these Moslem fundamentalists, and Russia could provide a technologically superior super-power for them to train against. I realize that most people reading this will not realize **the enormous cultural-technological gap** that has existed between the Arab world and the West. To put it bluntly, these people were riding donkeys and camels a few years ago, and living in medieval cultures. The ways of organizing things, of openness, and education that we take for granted were foreign to them.

The establishment press has done a poor job of showing this cultural gap. In order to create a credible threat to the West, the Moslem world has had to receive an incredible amount of help from the West and Russia. This incredible amount of assistance from the West and Russia finally began to show some successful results during the 1990's. Even then the gap between the two cultures is enormous. I write this from first hand observations, as well as from the observations of numerous others who have shared their experiences.

By the way, this is not the first time America played both sides of a conflict. During the

six-day war of June 1967, the **CIA** provided the Egyptians important intelligence on the Israeli's ongoing *Order of Battle* via the USS Liberty spy ship sailing near the battle in order to make the war more equal. The Israeli's sank the U.S. spy ship. Since Israel and the U.S. call each other an ally, they both covered up the sordid affair.

During the 1990's, these militant fundamentalists trained in **Afghanistan** have been using terrorism to gain control over the rest of the Moslem world and to extend Moslem control over the sub-Saharan and East African areas. The Somalian fiasco where hundreds of American Rambos almost got annihilated at Mogadishu was an extension of the new strength the Moslems gained from the spread of the trained militants. The defeat of America in Somalia convinced the Moslem militants that they could defeat America in other countries.

During the 1980's and the 1990's a large number of Moslem successes against Russia, Israel, and the United States have breathed a new spirit into the militant Moslems. This impact of these successes can't be overstated. For instance, the Intifadah was only possible after the Palestinians regained their self-respect from a successful commando raid into Israel which used hang gliders. After losing war after war with Israel and the West, the Moslems had begun to doubt their abilities. Their successes worldwide that have occurred since Russia invaded Afghanistan have changed all that. That confidence is going to be crucial to sustain any credible world war.

Are we entering into a war similar to the Vietnam War, except that this time it will be continental (and perhaps global) rather than against a single nation? An example of how widespread the fighting is already is the Philippines. Militant Islamic Fundamentalists are fighting there. Both Iran and Iraq work with Bin Laden. Do the Muslim forces have enough of a military and terrorist threat to really create a third world war? It is clear that just as the elite quietly supplied Hitler's war machine before and during W.W. II, **the elite are going to continue to supply both sides** to continue this war between Moslem fundamentalists and the West. The United States military has even provided training for some of the Moslems here in the United States. The Kosovo Liberation Army is connected to the Militant Moslems, and yet it was assisted during the Kosovo crisis by the Americans.

Where will the next major terrorist strike be? What kind of weapon will be used next? How far will the war spread? As things continue to deteriorate, we can expect more Moslem countries to become militant. The entire Moslem world is in a state of flux. Militant Moslems live in all over Europe. Chechnya is part of the militant Moslem network, and events are tossing Russia and the U.S. together as allies again. The level of Moslem abilities to carry out terrorist acts is impressive. Besides extensive training in the use of aircraft as vehicles of terrorism, extensive work has taken place to create a cadre of trained martyrs who can carry suitcase nukes into areas.

While it looks great on paper that America can launch a \$600,000 cruise missile with pinpoint accuracy, the effect of some expensive cruise missile hitting a mud building in Afghanistan is less impressive. America is infatuated with its military toys, but a few B-1s and B-2 Spirit bombers are not going to impress a hardened group of warriors who have already faced everything the Soviet Union could dish out. This “war” doesn’t seem to be well thought out. It seems to setting the stage for more trouble. In America’s haste to do something, it looks like **Bush** will be just as effective as **Carter** and **Clinton** were against radical Moslems. The threat from Moslem terrorism is more dangerous because the United States still thinks like it did when it fought North Vietnam.

For instance, during that war, the Vietnamese successfully used tunnel systems. The Moslem fundamentalists have spent energy learning how to copy those successful Vietnamese tunnel systems. Even our B-52 bombers had limited success against the Vietnamese’s tunnel systems, and our high technology failed. Our best weapon against the tunnels turned out to be small men called tunnel rats armed with knives. It seems that many of the same high tech American attitudes that had limited success in Vietnam are being brought out again. Dropping bombs on people is not the solution to the Moslem fundamentalists. It makes Americans feel good, but what are these expensive cruise missiles really accomplishing?

Our approach to solving our difficulties with Moslem fundamentalism is seriously **lacking**.

- Why are our leaders setting us up for failure?
- Who is going to benefit from this long war?
- What kind of alternatives could be creatively developed to back out of this mess?

As usual, **the elite** have done their job well in creating this crisis. They prefer to develop these problems so that only one plan of action makes sense, and then they stampede us that direction before we can think of anything else.

What we have covered in this article are some of the details tracing the creation of today’s war between the U.S.A. and her allies and militant Moslem Fundamentalists. Some will call the evolution of hostilities accidental, or the fault of reckless indifference by incompetent politicians. But **the strings of the puppets are visible if you look close**.

The unfolding of events look like **scripts** that were discussed years ago. It is obvious, that whatever caused this “war” has happened and now we have the problem of how to end it. But like a disease, we can treat the symptom or the cause, and in this case, the war is a symptom of a larger problem

Fritz Springmeier Interview

on The Illuminati and Mind Control Slavery

Wayne Morris:

Good morning, welcome to the International Connection. This is show #35 in the radio series on Mind Control and over the next few shows we are going to be talking to **Fritz Springmeier** and **Cisco Wheeler**, co-authors of the "[Illuminati Formula Used to Create an Undetectable Total Mind Control Slave](#)" and "[Deeper Insights](#)", books about trauma based conditioning mind control. Fritz is a researcher about the Illuminati and minister to mind control victims. Cisco Wheeler says she is from a generational **Illuminati family** and that trauma-based mind control was perpetrated against her from birth. We will hear the interview with Cisco in a couple of weeks, and today we are going to hear an interview with **Fritz Springmeier**. Fritz talks about the Illuminati families and how they have used mind control to consolidate their power throughout history. You are listening to CKLN 88.1 FM.

I am speaking with **Fritz Springmeier** author, lecturer and minister to mind control survivors. Welcome to the show Fritz.

Fritz Springmeier:

Thank you and hello to all you listeners out there in radioland. I encourage you to participate with our program today because we are going to be speaking about some important things that affect your life and will affect the lives of your grandchildren.

Wayne Morris:

I would like to start off with asking you how you first came across the

information about government mind control.

Fritz Springmeier:

Government mind control overlaps with many other things - it overlaps with a higher government and a secret world government called **the Illuminati**. As I investigated [the Illuminati](#) I had to also learn about their front that they operate. They hide behind the veil of National Security. They use our patriotism against us and make us think that for our own interest, for our own security of our own nations, that we have to subject ourselves to all the secrecy that they impose upon us.

Wayne Morris:

Did you come across all the information about mind control through your research into the Illuminati, or vice versa?

Fritz Springmeier:

Yes, through the Illuminati. That's not to say that I hadn't been watching the government too, but a lot of what we see out front is just that - it's a front and if we really want to understand what's going on, we have to look behind that front.

Wayne Morris:

Maybe you could explain to our listeners, to your understanding, who are the Illuminati?

Fritz Springmeier:

The Illuminati are the movers and shakers of the world. They are an elite group of bloodlines - I call these tribes or families - there are [13 major bloodlines](#). They are what are called "generational satanists". That means that they have practiced their secret witchcraft for many centuries and they have passed their religion down from one generation to the next. They lead double lives. They have one life that the world sees and then they have a hidden life that the world doesn't see. There have been very few people that have been able to break through the secrecy. They have taken secrecy to a fine art that I would never have believed that anyone could achieve until I started getting into this, and there have been very few people over the years that have broken through that secrecy at all. There was a man named **John Robison** who wrote [Proofs of a Conspiracy](#) against all the religions and

governments in Europe carried on in the secret meetings of the Freemasons, the Illuminati and reading societies. That came out in 1798 and the Bavarian government, by raiding several safe houses of the Illuminati, captured original Illuminati documents back at that time period which were bound and sent out to all the governments entitled: "Die Originalschriften des Illuminatens Ordens" (sp?) as the German title the Bavarian government gave it.

But in modern times there have been very few people that have been able to talk about the Illuminati as it exists today, and that's been my job. To bring to the world who these people are, what their traditions are, what they are doing, everything about them. The reason I am giving a longer version here to your question is that when someone asks who or what are the Illuminati, they do not think like we do. People often times interpret things around them in terms of how they themselves think or their own world view. If you want to understand the Illuminati, you have to understand that these people do not think like you or I.

In just one area alone, that is a large percentage of these people are programmed multiple personalities and just that in itself creates a whole different thinking pattern from those of us who are not multiple.

Wayne Morris:

When you say the Illuminati, is this the same group that is documented that Adam Weishaupt had started back in 1776 in Bavaria? Is this the same group?

Fritz Springmeier:

It's the same group. He actually didn't start the organization, it goes way back. These are oligarchical families that are extremely powerful and if you go back in history and ask yourself the question, "when did the elite, powerful, oligarchical families ever give up their power?" You can't find any point in history. These are the families that - some of these bloodlines go clear back to Nimrod. The Rothschild secret genealogy that they have secretly written down through the centuries, traces their genealogy back to Nimrod. These people were the ones that controlled the mystery religions. There was a supreme council that sat over all of these mystery religions of the ancient world. They were an extremely powerful priesthood, and they chose to go underground for many years and continue working behind the scenes. But they never left.

At the end of WWII there was a committee that was sent out throughout Europe to do a study of all of the churches that had been destroyed by the war, and they discovered that in most of these Christian churches (80%) they found that where the Christian altar had been, when these churches had been destroyed, underneath these altars were pagan altars that had been uncovered. So what you have is that a lot of these cathedrals were built on lay lines that were very powerful occult spiritual points and on after hours these churches were used for what we would call satanic rituals. So this has been going on secretly for many centuries.

Wayne Morris:

And you are saying that the Illuminati are responsible for infiltrating these churches?

Fritz Springmeier:

These are our movers and shakers, very powerful bloodlines. For instance, one of these bloodlines includes all of your royal families of Europe. They are the people that have been in control. If you look at a lot of these nation states, you will notice that at the head of their church are their kings and queens.

Wayne Morris:

You mentioned there are 13 families in the generations of the Illuminati families? Can you name them?

Fritz Springmeier:

I came out with a book that was specifically designed to go family by family and discuss them. The top 13 bloodlines are the Astors, Bundy, Collins, Dupont, Freeman, Kennedy, Leigh, Onassis, Rockefellers, Rothschild, Russell ... then there is a 13th bloodline which is [the Merovingian](#) bloodline. I just simple call it the 13th and then there is the [Van Duyne](#) Illuminati bloodline. The 13th bloodline, the **Merovingian**, is extremely important. It includes the royal families of Europe. In my Volume I book which covers the Top Thirteen Illuminati Bloodlines, that's the title to it, I don't go into the Merovingian bloodline so much because there came out a trilogy of books, "The Holy Blood and the Holy Grail" and two other books by their authors - Baigent, Leigh and Lincoln - which is so good in discussing this bloodline that wasn't any real reason for me to go into it.

For instance Prince Charles would be part of that. If you look at Prince Charles, you will notice in his genealogy he is related to our Presidents Washington, Jefferson, Madison, both of the Harrisons, Tyler, Taylor, George Bush. Bush's vice president, Dan Quayle, was also related to the royal family. Prince Charles is also related to Mrs. Woodrow Wilson. Here in the USA the concept is that we have all of these individuals who have been selected to run this country who are unrelated to each other -- and yet it is quite the contrary.

I have been told when they dedicated George Bush's library in Texas recently, that President **Carter** mentioned that he was reading a recently published book about the Presidents being somehow related to each other.

Wayne Morris:

When did you first realize the existence of the Illuminati? What information came your way to spark your interest?

Fritz Springmeier:

Everybody has probably heard of Jehovah's Witnesses and how they would go out and knock on people's doors. I was the opposite. I was a Christian missionary to bring Jehovah's Witnesses to Christ and I was getting tired of working with these little Jehovah's Witnesses on the street, and I was praying to God to be given the power to decapitate the authoritarian organization that is over these Jehovah's Witnesses. At that point, I got my prayer answered. I got this confidential information that the heads of the Watchtower Society were collaborating with the heads of the Latter Day Saints church. That information totally changed my life. I had bumped into the Illuminati and their mind control, and I am not to single out the Watchtower Society and the Mormon church because I found out that their infiltration and control is pretty well right across the whole spectrum. Your Christian organizations in general have been infiltrated and controlled from behind the scenes.

This is when I first bumped into the Illuminati. I had learned about 20 years previous to this what a lot of people are already aware of about the Council of Foreign Relations, Trilateral Commission and these types of groups, the Bilderbergers - but there is a whole other level to things. When I started getting into reading, researching and trying to help people that wanted out of the Illuminati to get out - I started getting in at that level. Then I had to work with the mind control. One thing led to another.

Wayne Morris:

What is the relationship of the groups you just mentioned to the Illuminati?

Fritz Springmeier:

There are a lot of groups around the world that are making decisions that are controlling things from behind the scenes and these particular groups are fronts for the Illuminati. Not fronts in the sense that they have no actual purpose, they serve a purpose. But there is a hidden level of control back behind them.

Wayne Morris:

In terms of the Illuminati families and the whole organization itself, what are their goals? Why have they infiltrated so many of these organizations?

Fritz Springmeier:

Ultimately it's to bring in what people have termed [the New World Order](#) with a man who will hold the world's attention and carry the title The Antichrist. That's the ultimate goal and I am not trying to wax religious on people but that's just the simple fact. When you get into deprogramming people you will see that a lot of the things they have been programmed to do tie in with a very sophisticated plan to unify the world under the reign of the Antichrist.

Wayne Morris:

You mentioned that the Illuminati group has used mind control to further their goals. How did you first come into this? You have been working with your partner, Cisco Wheeler, who I understand was an Illuminati mind control victim. How did you first meet and realize what was going on there?

Fritz Springmeier:

She was trying to break free of her mind control. What I stumbled upon was, at least in my opinion, the greatest slavery involved in all history. You had four high level Illuminati women who had been teamed together. They had all become Christians and were trying to break free and had become a support system for each other. Here I was a researcher of the Illuminati, there's a lot to try and explain. When you are under the mind control, there

is a lot of programming not to reveal the secrets. It is very difficult for someone who has been in the Illuminati and received their standard mind control to not divulge what is going on, so it made it much easier to work with me that I had already done my homework, and they knew I was going to understand what they were talking about. They didn't have to say a lot to communicate certain things, because I was already aware and that saved them from a lot of the grief from the program kicking in for having talked too much.

Cisco was part of this group attempting to escape the mind control, and I got involved in their lives and did what I could to help them. I brought Cisco out of the Illuminati and in return my learning curve about the Illuminati was greatly increased because I was given inside information from these people and a number of other people. Like I say, trying to understand the secret organization, the secret bloodlines is very difficult, because one has to stand outside of one's own culture and own way of thinking and understand these people as they think, and they do not think like we do. Being able to work with these people who were in the Illuminati was very valuable.

Wayne Morris:

Because they have used mind control techniques on their own family members throughout the years?

Fritz Springmeier:

Oh yes. They have been carrying out this mind control on their own people as well as others for centuries and this has all been a very closely guarded secret. It's one of the reasons why they have been able to carry out so much to implement this New World Order without people being able to figure out there is such a thing as a worldwide unified conspiracy. They are very skilled in knowing how to bring things about so they appear natural.

Wayne Morris:

What is the purpose of them using mind control on their own family members?

Fritz Springmeier:

It's really essential. If you are going to participate in the Illuminati secret life, being a programmed multiple is basic. There are a few in the Illuminati

who aren't programmed multiples, but considering what one has to participate in. You've got a number of standard rituals involved - St. Weinbald, St. Agnes, Grand Climax, Walpurgis, Beltane, all your solstices and equinoxes, Lamas, All Hallow's Eve, High Grand Climax -- all of these standard rituals. These rituals are very horrific. They involved human sacrifice. Sacrifices of babies on the High Grand Climax. On various Sabbats you've got a young female or a male being sacrificed.

This is not something that the normal mind is going to be able to handle. The mind control and the creation of multiple personalities where you get a Dr. Jekyll and Mr. Hyde effect - is very crucial to this thing continuing from generation to generation.

Wayne Morris:

They really use the multiple personalities to facilitate this double life that they have to lead ... before we get into the techniques that they use for mind control and the details of that, you mentioned they seem to have a belief system as well. Could you talk about that?

Fritz Springmeier:

The Illuminati is the continuation of the Mystery Religions and as someone comes an adept of the Illuminati they have to learn a whole series of paths. They give the different types of cult knowledge names from the 12 Apostles plus the 13th is called *the Holy Grail*. These men and women become very skilled in occult knowledge and I am not sure how much I should go into that, but I guess what I am trying to say is that they will be trained in alchemy, in Indian sorcery, Druidism, Enochian magik, Gnosticism, Hermetic magik, cabbalism, Plato, Sufism - they will know all the different branches of occult systems.

Wayne Morris:

How do they use that information? Do they incorporate elements of all of those occult belief systems into their own?

Fritz Springmeier:

It all ties in together. The idea is to amass occult power to yourself and that's the reason why the Collins family was brought into the top 13 bloodlines. Of course the Merovingian Dynasty had a lot of magik power and a lot of political power, but the Collins family which was Scottish had

extremely powerful occult powers so it was brought in to be one of the top occult lines because they were such powerful black magicians. Cabbalism and the 26 path workings - this is all very important in the work that they do, and it all ties in with the mind control too. But most of the therapists out there are secular or approach it from the secular angle, and as they deal with these mind control victims' programming, they don't touch on the spiritual aspect. What I am trying to say is that their religious beliefs can't be separated from the mind control. It is an integral part of that.

Wayne Morris:

Do the Illuminati worship a single being such as Lucifer?

Fritz Springmeier:

You've got different levels in which people operate within the Illuminati. There is the anarchy level which is your common witchcraft coven, and then you've got your hierarchy level. On the anarchy level there are thousands and thousands of covens. I have listed the addresses and names of hundreds of these in one of my books. These covens are very eclectic. They can have their own traditions, their own rituals. There is a wide variety of practices on the anarchy level ... that's what it looks like, is total anarchy. One doesn't see any connection.

Above that is your hierarchy level where you would have Asmodeus, your Grand Masters, and Mothers of Darkness, Grandmothers, Granddaughters. If you are a programmed multiple, you can function at many different levels. You can have one personality in this coven, and another personality in that coven and this personality that is in the Masonic Lodge, and another in this hierarchy ceremony, another participating in another Satanic ritual. It is very broken up. One of the reasons why it is not easy to answer your question is basically everything we understood about human behaviour and how to gauge or judge people is obsolete. The mind control, by creating programmed multiple personalities, has made all of our ways of judging people obsolete.

Within the Illuminati the supreme goal is to balance their good deeds with their bad deeds, they are dualists. They are Luciferians at the highest level. That's why your greatest philanthropist will very often be your highest ranking satanist. What they are trying to do with their philanthropy is self serving when you actually look at it. It's not as generous as it appears. They are trying to do good deeds and balance those with their bad deeds, they believe in balance in their religion. It's a gnostic luciferianism.

Wayne Morris:

I think it might be difficult for the people listening to understand how somebody could be in public doing good deeds and having a good public image, and at the same time having this very dark side. I don't know if you have read the recent Judith Spencer book, "Satan's High Priest". It really illustrates how that works very clearly. It's a true story about one particular satanic cult, a high priest, and his rise to that.

Fritz Springmeier:

No I haven't read the book, but I am glad that you brought that out to the listeners. The way that someone can begin to see the Illuminati is to start looking at how these people are above the wars and the rest of what we have to suffer. For instance [Pierre Samuel Dupont](#), during the French Revolution, all kinds of people around Pierre lost their heads and yet, for some strange reason, Samuel Dupont managed to "keep his head" when so many hundreds of people were losing theirs to the guillotine. One person who was influential in protecting him was Necker's daughter, Madame Germaine Destael. She ran a cat-house, but anyway she was intimate friends with St. Simon and St. Simon's disciples were saying at that point in time in the early 1800's that the target date for the New World Order would be the year 2000.

Another example in history, and I brought this out in the [Top 13 Illuminati Bloodlines](#) book, is when the U.S. went to war right after Pearl Harbor, within a few days, President Roosevelt came out with a Presidential Decree which was a semi-secret amendment to the Trading with the Enemy Act, and it made it legal for certain people to trade with the enemy, if they were given permission by the American Secretary of the Treasury who at that time was [Hans Morgenthale](#). I copied the paper work out of the Federal Code of Regulations. They actually have this Presidential Decree where if he wanted to exempt somebody, he could allow them to trade with the enemy. Who were the people that were given that privilege? Rockefeller and Onassis, both of them Illuminati kingpins. During WWII every ship that was a Greek merchant ship was sunk during the War by one side or the other. Something happened and essentially all of the Greek shippers lost their vessels. There was one Greek shipper, Aristotle Onassis, who didn't lose a single ship and his vessels sailed through all the war zones. None of the Allies or the Axis powers ever attacked his ships. For something like that to happen, you have to have full collaboration at the highest level. You see these kinds of things going like - Pierre Samuel Dupont, Aristotle

Onassis. Then you are looking at somebody who is Illuminati. They sit above all these conflicts that they create for all the common people.

Wayne Morris:

This way of bypassing trading with the enemy regulations, how has this been utilized with regard to WWII or the Bolshevik revolution for that matter?

Fritz Springmeier:

In fact there is an entire book out - I think the title is "Trading with the Enemy", it came out in 1983 and answers your question. Rockefeller Standard Oil shipped gas and oil to Spain which then piped it directly to the Nazis. The Allies knew that Rockefeller was supplying the Germans. That prolonged the War a couple of year. But you don't hear about this by establishment historians. There was a lot of important trading during WWII was necessary to sustain the Nazi war machine.

And you mentioned the Bolshevik revolution. Again you will see there was a lot of finances sent from, as you are probably well aware and some listeners are aware, from Kuhn Laib (sp) and Company and some of these other Illuminati people, and that money was used by the Bolsheviks to finance the revolution. There were a lot of other agreements made at that time and things done to help them out. There is a lot going on behind the scenes.

Wayne Morris:

It seems like they are promoting a strategy of tension where they are funding both sides and basically profiting from the resultant conflicts that they are fomenting.

Fritz Springmeier:

One could go on and on. For instance Heinrich Mueller who was head of the Gestapo - you will notice that at one point he took an old Jewish family and he himself had to personally carry their suitcases to his own car and when he got them to the Swiss border, he carried their suitcases. The Swiss bodyguards by the way, were laughing seeing the head of Gestapo helping an old Jewish family escape Nazi Germany. When the listener out there starts seeing these kinds of things, now that you have heard me talk, you can begin to realize that there is a hidden level out there, way beyond what

the common person is allowed to see at that Illuminati level. These are the people who are collaborating behind the scenes where you have Catholics and Protestants and Jehovah's Witnesses and Mormon leaders - you think these people are at each other's throats - but they are key Illuminati people who are secretly collaborating.

Wayne Morris:

In talking about the Illuminati, I think a number of people may have difficulty believing that there is a Unified Liberal Conspiracy to control the world. Even myself, up until recently, until I started researching into the mind control, I thought the Illuminati was a fictitious group. In doing your research about the Illuminati, what were some of your other sources of information besides the people on the inside that had escaped?

Fritz Springmeier:

My sources, besides my eye witnesses, were interviewing a number of honest law enforcement and private investigators - in fact some of these people are still ongoing friends of mine. Over the years I have studied thousands of books, and thousands of documents which has meant going to special libraries, such as the Genealogical Library at Salt Lake City. I have interviewed and worked with many therapists and I have taken off and travelled to sites where programming is done, where rituals are done, where crimes have been committed. For instance in Washington state, a number of hours from here, there is a full scale replica of Stonehenge. Below this replica of Stonehenge which sits on a hill, is a cemetery a number of feet away and Illuminati rituals are done at that cemetery. That's an example of a place that I have gone and looked at for myself.

I need to bring in another concept here that is important to research. It's not all simply just getting a lot of interviews and the facts because the raw facts aren't going to do it. When I was in college and I was taking counselling, the psychologist who was teaching the class gave some excellent advice. He said, "when you are listening to people or examining a situation, don't look at the details but look at the process. The details may throw you for a loop because people will lie, they will give contradictory information. Look at the process." That's a very good principle. What I have been doing is analyzing a lot of raw data, raw facts and interview information, and I have been putting together a coherent puzzle. That means you have to overlook a lot of disinformation.

Wayne Morris:

In the late seventies there was a certain amount of information about CIA mind control that came out to the public, and I would like to know what you think are the problems inherent in trying to prove the existence of mind control to a general audience through government documentation?

Fritz Springmeier:

The problems with trying to expose things through government documentation are one, the documentation has been destroyed or tampered with and to get the government involved in exposing these things, what you are basically doing is asking a bunch of criminals, that's what they are even though they work in government positions, to expose themselves with paperwork. That's just not the way things work. When we think about the Nazis, they were trying to destroy all traces of their crimes. They tried, they didn't succeed. That gives me some hope that even though a great percentage of the proof of the mind control in terms of government documentation has been destroyed, I am still convinced that tons of documents still exist. But I think even better than those tons of documents are the living proof we have in the tens of thousands of identified living victims.

The other side to the problem of getting government documents is that then you have to have some way to broadcast that to the public at large and we have a controlled media, and unfortunately the media is very tight with the government. You can really question whether you would ever see our controlled media fully expose to the proper degree the people that need to be exposed.

Wayne Morris:

It seems highly unlikely that the mainstream media is going to be investigating this. It's more likely to be coming from independent investigation and independent publishers of this information.

Fritz Springmeier:

I would love to see the places where the records are kept broken into and these records exposed, but the only way I can see this happening would be if there was a revolution on the magnitude of what happened in Eastern Europe where Stasi records and things like this were exposed to the light of day.

Wayne Morris:

Do you think a government investigation into the mind control experiments, similar to what has happened with the Tuskegee syphilis and the radiation experiments would actually bring out information?

Fritz Springmeier:

I believe it would bring out information. That's true. However, for the government to investigate this is like asking the fox how much of a threat he is to chickens. The fox is going to tell us something, enough to satisfy us, but I am real leery about giving the government another chance to push some ulterior agenda. The bottom line is that a government investigation is going to cost us more tax dollars, and I think people sometimes forget that every time they send their government scurrying around doing something that it comes out of their pocketbook.

Wayne Morris:

Do you think there is any benefit though, to society as a whole, in terms of having a government investigation going on, and having the government at least admit they did do these kinds of experiments? Is there any benefit to the people as a whole in trying to expose this?

Fritz Springmeier:

As a whole? The way you ask your question is going to reflect the way I answer. No, it will not. The reason why I say this is that earlier on the US Congress had Rockefeller investigate the CIA. Rockefeller investigate the CIA!?! (Laughs) Of course his investigating committee came up with abuses, they have got to find something wrong, but the thing of it is that it makes Rockefeller look like a good fellow. "Oh look he's a crusader who is trying to expose the bad guys." They always throw in an ulterior agenda. If they are going to do something against themselves, they use it as another opportunity to work on some other agenda. If they expose A, B and C about mind control, then they are probably doing it in a way so they are misdirecting people's attention from their latest technology through an older model that they have discontinued, or something like that. They are going to work in some ulterior agenda that when it's all said and done, it has actually done a disservice.

Wayne Morris:

How do you think the information about mind control has been kept from public attention for so long?

Fritz Springmeier:

As we mentioned just a little bit earlier, we have a controlled media and in a number of my publications I have gone into detail and showed who is in control of the media, and how these people are Illuminati members or participating in their Illuminati fronts. I document how [the Rockefeller](#)s, and [the Rothschilds](#) and the William Randolph Hearsts - Illuminati kingpins - control the media. I think it's appropriate a couple of anecdotes.

I was visiting one day with a Christian minister and he was asking me what I did since I worked full time exposing the mind control and helping victims of mind control, and exposing the New World Order's agenda. I was honest with him, and told him that and in the course of doing that I mentioned something about the controlled media and boy he hit the roof. He went ballistic on me because just prior to becoming a minister he had been an ABC reporter. He said, "there is no control over the media! I was allowed to write and have any stories that I wanted!" I said, "whoa, slow down, let me ask you some questions." When you were hired, your superior hired you and kept you on because he liked the way you thought and the way you wrote ... and likewise his superior liked the way he thought and the way he wrote ... and on and on down the line. If anybody had written or thought in ways that weren't the approved ways of thinking and writing you would have gotten in trouble, wouldn't you. He said "yes." I said, that's it ... when I work with victims of mind control they can't see that they are under programming. As long as they do exactly what the programming asks them to do, they don't know that they are in programming. The only time that they know that there is any programming there is if they step out and act against it. If you are running with the wind behind your back or if you are in a stream and you are floating down the stream, you don't notice the current. But when you try to swim upstream is when you really notice the power of the current. So if you as a reporter step out of what their expectations are, that's when you get clobbered and you realize there is a lot of heavy force behind going against the direction the way they want to go in. He said, "you're right." I said if you had written an article that had been contrary to the way your boss thought, you would have been in trouble, wouldn't you? He said, "yes, you are right, I see your point."

That's my point. People don't notice the control until you start bucking against that control and then you are going to find out how much control there is over our entire society.

Wayne Morris:

It seems that control in the newsrooms is almost at an unspoken level, and often for a lot of reporters it's an economic motivation as well. The stories that their editors do get accepted, the stories the editors don't like don't get accepted and the reporters don't get paid for it. They very quickly appreciate what their editors are going to accept and print.

Fritz Springmeier:

Exactly.

Wayne Morris:

I would like to talk about the mind control that the Illuminati have used and the techniques therein. What is your understanding of the forms of mind control they have used?

Fritz Springmeier:

The phrase that I like to use is "Total Mind Control" because it totally controls the person - body, soul and spirit. And the common person out there has never really imagined that something so all-encompassing or so horrendous or so totally powerful even exists. The type of mind control the Illuminati use - I think some people think "oh, mind control - television - yeah - subliminals." No. I am talking about something that is 1000 or 10,000 times more powerful. This mind control is totally undetectable and it totally controls the person and it uses every known technique of controlling a person wrapped up in a sophisticated group package. That's one of the important things that a lot of people have not emphasized - that it's not one technique, but what makes this total mind control of the Illuminati so powerful is that it's a sophisticated group package incorporating all of the known techniques of control. All of these methods have been carefully interwoven. When you listen to someone from an intelligence agency, occasionally they have talked similar to this, where they will say, "we tried such and such a technique but it only worked in 70% of the cases so we couldn't use it ... and we tried this technique and it only worked part of the time." But what they are not telling you is that if you take a method that works only 70% of the time and match that to another technique that works 60% of the time, and another technique that works 50% of the time and you have 100 techniques wrapped up together like that, you make a package deal that totally locks the victim in to the control.

Wayne Morris:

Can you talk about some of these techniques individually and how they were used as a group package?

Fritz Springmeier:

When I started out to describe to people what was going on, I had files and files. I had about 150 files of different techniques. I was thinking to myself, well I can't talk about 150 techniques, that's too overwhelming for people. I thought and realize that all of these techniques broke down into 12 sciences. One of the sciences is the science of trauma and torture. Others is how to use applied drugs to control a person; their ability to use mental states such as hypnosis, dissociation, the trance states; their skill at deceiving people and deceiving the victim themselves. One needs to understand that the victims of the Illuminati mind control do not even know themselves that they are under control. So there is a lot of skill in using fiction and deceit and fronts and covers. There is a science of using spiritual things to control a person. In fact actually that is perhaps one of the major, if not 'the major' method of controlling a person.

There is a science of using spiritual things to control a person. In fact actually that is perhaps one of the major, if not the major method of controlling a person. One of the things that's not political popular today for people today in science to admit is that mankind has a spiritual side to them, but humans do have a spiritual side to them and the Illuminati understand how to spiritually control someone. Their understanding of that has boggled my mind. They have only allowed the common people including the Christian people - the crumbs so to speak - even our ministers have only been given the crumbs on how to develop a person spiritually.

Wayne Morris:

And how do you feel they have developed this and gained this knowledge?

Fritz Springmeier:

A lot of this began back in the Sleep Temples of the Egyptians. We go back to your Egyptian priesthood and the Mystery religions - they were already learning at that time how to use electric shock - they used electric eels and other things to electrically shock people. They had already started to learn the use of drugs and herbs to create altered states and to control people.

These were secrets though that were very closely guarded by these Illuminati families and their Mystery religion priesthood. But they continued to develop these over the centuries. Another example of a closely guarded secret was the ability to do cranial manipulation. During the Middle Ages and even centuries prior to that, the oligarchical families that controlled the common people had specialists that did torture for the kings, and they kept their secrets about torturing to themselves. One of the things they developed was the ability to do cranial manipulation. You have to be very careful when you start moving the bones of the skull. A lot of people don't realize that the skull is not a solid bone, but it has sutures between the different parts of it, and you can do very subtle manipulations and move those skull bones. In fact today there is something called cranial osteopathy. These osteopaths are very skilled in using their fingers. That developed from the family of bone-setters who tied back into the occult who had learned the secret occult skills of manipulation.

Wayne Morris:

What has effect has this had in terms of the mind control - the cranial manipulation?

Fritz Springmeier:

Cranial manipulation has been kept an occult secret in occult bloodlines for centuries. And it can be used for good, to heal people. It can be used to change the way the face looks to improve the face, or it can be used for evil, to torture someone or to control their mind. By manipulating the skull you can actually change the way the person thinks to make them more dissociative, or more compliant, or develop their thinking in other ways.

Wayne Morris:

Can you explain how they would start using these techniques, and generally at what age they would start?

Fritz Springmeier:

When a child is conceived, a lot of them - their very birth has been an idea from the start. Somebody who is in the Illuminati conceiving a child in an occult ritual with a woman. It gets very involved as to how they hide their lineages. Let's put it this way. Not everybody born to mothers are actually the biological children of that mother. There is a lot of switching done at hospitals and so forth. The child's birth has been planned. While the child is

in the fetus, they already begin certain things to test the fetus' mental abilities and to traumatize that fetus so it will be more dissociated.

Wayne Morris:

How would they do that?

Fritz Springmeier:

A fetus does not like to be poked, does not like substances that taste bad. If a mother eats a lot of sugar they have shown by watching the fetus that these unborn children like the taste of sugar as it diffuses into what the child is getting from the mother. So if you combine a lot of these things that are horrific. If you have a lot of loud noises - and the father is screaming at the mother and throwing her around and abusing the mother, making the mother very upset. Then you've got loud music, rock and roll, or screaming or something. You have also given the mother something to eat that tasted really bad to the fetus and you can do a number of things that are going to hit that little unborn child at the same time. It's going to be overwhelmed, and it's going to develop its ability to dissociate.

Wayne Morris:

To your awareness, has electricity been used in this regard?

Fritz Springmeier:

Not so much in the traumatization of the fetus. They use that after the child is born. They oftentimes will have a premature birth. It happens in many different ways, but one of the methods they like to use is to have a premature birth because then the child can be traumatized naturally. There are a whole bunch of natural traumas that go along with being premature. Your skin is very sensitive, you get catheters up your behind, and so forth. They want the traumatization to begin very early on because they want somebody who can trance out and dissociate from the pain. You are probably familiar with the Indian fakirs - the holy men in Indian who can walk on coals and stick pins in themselves and sleep on beds of nails. How does it happen? Because they are able to dissociate and go into a trance state, an altered state. The Illuminati want to create individuals who are able to dissociate very well, because that is part of the requirement to have the ability to have a multiple personality.

Wayne Morris:

And that is the purpose of the traumatization - is to create that dissociation?

Fritz Springmeier:

That's one of the purposes.

Wayne Morris:

What is the importance of dissociation within the total mind control?

Fritz Springmeier:

It's extremely important. You will hear a lot in recent times about electronic mind control, and that's being used to divert people away from the more important issue of multiple personality disorder or DID. The ability to create multiple personalities that are programmed is extremely important. It's why they have the ability to be secret, it's why they are able to do so much in secret. The electronic mind control - throwing mental ideas into somebody's brain which are foreign is not that much of a threat. I have worked with quite a few victims of electronic mind control and the majority, if not all of them, are able to recognize that something is being beamed into their heads that is foreign. But when you are dissociated and you have amnesia between yourself and other parts of your mind, you don't know what you yourself in your entirety are all about. For instance I had a Christian minister who spent some time trying to deprogram - he has come and visited here to work on his programming. Here you have a Christian minister who, horrors of horrors, discovers that he has a dissociated part of his mind which has been functioning within the Illuminati and these other parts of his mind are satanic. Imagine being a man of God and finding out that you have parts of yourself that sacrifice people ... (laughs). That's why this ability to dissociate into multiple personalities is such a dangerous ability.

Wayne Morris:

Maybe you can talk about the nature of dissociation and how that is used for controlling somebody and also, as you mentioned, being not aware of the different identities that are being used for other purposes ...

Fritz Springmeier:

People are familiar with dissociation and how the mind has the ability to

function on several tracks. For instance, if you are at a party and engrossed in a conversation with somebody and you are focused on what they are saying, and all of a sudden somebody across the room says your name, and your mind immediately switches and goes "oh they are calling me over there", well that's one evidence, and there are other ways to realize that the mind is not one monolithic entity but it is broken up into components. While you were engaged in that conversation with somebody, there was one part of your mind which was still listening to other things. It was a dissociated part of the conscious mind; in other words, it was dissociated from the conscious. You weren't conscious of that part of your mind that was listening to the rest of the conversation but it was.

Hypnosis, trance and dissociation are just different aspects of the same thing. The Illuminati have learned over the centuries how to put people in different mental states and the information is learned in the different states. To access that information best, you need to go back to that particular state. People realize what I am saying because when you get into a particular situation that's reminiscent of a previous experience, that's when your memory is best triggered. They go a lot further than just using natural dissociation. They have learned how to create amnesia walls within the mind and basically what they are doing to the mind is the same as what we do to computers. In order to make computers functional they had to figure out some way to section off part of the computer's memory so the user could not access that memory. It had to nest that memory. You will notice that when you reboot your computer, the computer reboots itself with memory that you weren't able to access. That memory was dissociated - in human terms I guess you could say there is an amnesia wall there.

They know how to build walls in the mind to mentally section off the mind - and they do this through trauma. If you get a severe enough trauma what the mind will do in order to continue functioning is dissociate that trauma with an amnesia wall. Let's say you were in war and your best friend had just gotten blown to smithereens by artillery ... his guts are lying out. Your mind may build amnesia walls around this event and you may not be able to remember it. So the worse the trauma, the better the amnesia wall.

The Illuminati take a small child about two years old, and they begin traumatizing it with the worst traumas that are imaginable so that they can create these amnesia walls. They find these dissociated pieces of the mind which are just like in a sense floppy disks, then they put in their programming to the dissociated parts of the mind as to what they want that part to become. Some of these parts they make into personalities and they create MPD, DID and then while they are creating these multiple

personalities, they are programming them to be exactly what they want them to be.

Wayne Morris:

Before we get into what kinds of things they are used for, maybe we can just go back and talk about how a person is conditioned to be a total mind control slave, and pick it up when the child is born. What happens there in terms of the conditioning.

Fritz Springmeier:

The programmers like to say "this child is a piece of clay", and they view themselves as the potter's wheel, of course. They are very skilled in knowing how to take a child and work with that child's mind to create what they want. We could talk all day about this. One of the aspects we haven't gotten into yet is their ability to go in and identify - they use EEG's - backtracking and stepping outside of the Illuminati for a second ... You've got researchers like Hans Eisneck, who happened to have been born in Germany and other researchers too who studied how your average _____ potentials - these are brainwaves - can be monitored and can be used to see what type of thinking that brain is capable of. You can use EEG's to determine personality and IQ. They have correlated their ability to study the human brain with EEG's to John Gittinger's PAS tests. When a child is born they begin testing its brain to see what is this person's personality, what type of thinking is this person capable of, what type of career should be plan out for this person. So they take the natural bent of the mind, the natural capabilities of the mind and they work with that. Likewise when they are doing the traumatization and they are splitting the mind, they work with the child's creativity and what those pieces of the mind think.

Wayne Morris:

Typically at what age do these tests start - the EEG's and the Personality Assessment Surveys ...

Fritz Springmeier:

They do some of it while the child is still a fetus, and after its born they start neonatal behavioral assessment skills, the Bailey Scales and other tests, and within a short time, perhaps by 18 months, they will be doing EEG's and determining what they want to do. Once they determine what kind of life they want to structure for this person, they begin the mind control to

structure the person for that career. This is why people like myself who have a natural intelligence that has never been connected to any of these bloodlines, we have such a hard time out there in the competition because the Illuminati can take a particular child and manipulate things from behind the scenes and open all the right doors for this person, and they can get them the grants and the schooling and everything they need and adding impetus to this person's career is the mind control that is steering them in that direction too. The end product is you end up with somebody who is an engineer or a lawyer or a politician who is very highly qualified for what they are doing.

Wayne Morris:

Once they have controlled somebody, what kinds of things would they be used to do for the Illuminati?

Fritz Springmeier:

This has not been brought out very well by other people and maybe it's just simply because they are not aware of it, but the mind control is not just to create somebody who is a sexual slave, but it's to infiltrate and control society across the board. Understand that if you are going to control something like establishment medicine - you have to have your people in key positions because the weakest link the chain is going to break. You can't have any weak links. They salt their people throughout society in general, from the gutter to the castles. An example of one group of people that they have created for modern society are stalkers. In my recent book, *Deeper Insights Into the Illuminati Formula*, I go into how they create stalkers and why they create stalkers.

Let's say you are trying to control medicine because the establishment medical system brings them in lots of money and the medical establishment is very powerful, you have to have control of the entire spectrum of things - the hospitals, what kind of health care is going to be available, the type of training these doctors are going to get, they have created secret strike forces like the CCHI and the NCHF that keep people in line. All of this requires mind control slaves being salted in throughout the entire system. If you have one weak link - for instance if you have one person who is practicing alternative medicine and you don't control the judicial system - you are not going to be able to convict, eg. this homeopathic doctor if you don't control the judicial system. You have to have this vast secret apparatus, and until people understand the mind control, they can't understand how there could possibly be the type of control that they have.

Wayne Morris:

In order to understand how they are able to control these people that they have put in key positions in society, we do have to talk more about the techniques of mind control, and maybe we can go into that now, of how they are able to effect control over these people. For example, the trauma.

Fritz Springmeier:

The trauma would be used for a whole number of reasons, but at the very basic level when you traumatize somebody to the point where they almost die, or actually to be more specific they actually do "kill" these people but they know exactly how many seconds they can allow them to be killed and still bring them back to life. They manipulate near-death experiences, they have that down to a science. That was the major reason that you had the major concentration camp experiments by Mengele where people were tortured. He belonged to an Illuminati bloodline and was doing Illuminati research for mind control purposes, he did a lot of research on twins. They found out exactly how much trauma you could give different people before you killed them. What that trauma does is it puts the brain back into a survival mode and now I have to get into explaining that the popular concept of the brain being one monolithic brain is real deceptive.

It has been kept very secret but the human brain is actually seven brains. The first brain of the human mind - the medulla and the pons - is called the Reptilian Brain because it thinks like a reptilian. If you are always traumatizing a person, you keep them in their reptilian thinking or their survival based thinking. Survival based thinking has certain characteristics. At the very basic level, the trauma can be used to keep somebody within their survival based thinking. It also creates fear and there is a whole series that spiritually happen to a person when they get caught up in fear.

If you think in terms of blackmail, the listener may remember when he was a child and somebody grabbed your arm and twisted it and said "say uncle" and of course your arm hurt, and you gave in. That's a very simple type of mind control. The trauma and the torture can be used in a very simple way - if you don't comply it is going to hurt. Men who are slaves are electroshocked in their genitals. It is very painful. That's a very simple way of bringing someone in line. Then of course there are ways the trauma is used to split the mind, fracture them into thousands of pieces, create multiple personality disorder. That's one of the techniques.

Wayne Morris:

Just to stay on the topic of trauma, what is the importance of maintaining that trauma in terms of keeping the conditioning intact and keeping the state of dissociation intact?

Fritz Springmeier:

They want to maintain a high level of trance and dissociative behaviour in the victim, so they like to continue traumatizing the person. As I brought out earlier, there is more involved than just keeping the dissociative level high. You're also trying to maintain the person to stay in the reptilian, survival based thinking; trying to keep them having a spirit of fear controlling their lives, so they don't slack off. They secretly train the parents of the children who are being programmed on how to abuse their children so they keep their children very dissociative. Not only that, if the children are going to some established religious institute, eg. Catholic church, Episcopalian church, their priests, their clergymen have been trained in how to abuse the children. This is why you have such a big modern day problem within the Catholic church. So many of the priests abusing children and the lawsuits brought against this church, and some people have said they think it is going to financially bankrupt the church - the reason why so much of this is going on is for purposes of mind control.

Wayne Morris:

Have these priests and clergymen been coerced to participate in this, or are they part of these Illuminati families? What is their role?

Fritz Springmeier:

There are a lot of different reasons why someone is a pedophile. One of the problems within [the Catholic church](#) is that there haven't been normal outlets for sexual activity provided for priests and nuns, and then they are given these subversive ways to release their sexuality. Some of them are actually secret satanists and this is part of the reward they receive from a secret coven. There are various reasons as to why - some just go along because that's what everybody else is doing and it is allowed until people put their foot down and say we are not going to tolerate this. I can talk about a number of cases where people did put their foot down and say we are not going to tolerate this abuse of our child by the clergy, and the hierarchy that should have penalized this person simply promoted them and sent them to some other part of the country. Why they do it? God

knows why each person has become an abuser.

Wayne Morris:

Can you explain how the dissociation has been used in terms of programming and the structure of that programming?

Fritz Springmeier:

The victim of the mind control has had their mind split into many personalities, actually far more personalities than what the people in the therapeutic community generally realize. Cisco who I brought out of the Illuminati has very standard programming in many ways, although she has unique features to her system of personalities. She had a very standard grid of 13x13x13 alter personalities. Each one of those personalities has been given a separate history, separate personality which has its own likes and dislikes. What they did was turn what was one person into a whole city of people and the only way the mind of the slave can function is if it relies upon the master to give it stability. Imagine if your mind was a whole series of competing persons, each with their own ideas, likes, dislikes. The only way to bring some order out of the chaos would be to have some controlling entity ordering that chaos. Some of the slaves have reached the point of becoming aware that they are multiples and on the deeper levels they realize that they need the mind control for their minds not to break down into total craziness. Another way of looking at it is - what the Illuminati are doing is creating controlled insanity for these victims of the mind control to endure the horrific trauma that's given to them, they have to isolate their memories of that trauma and the parts of the mind that have to pick up some of that trauma - some of those parts, in essence, I hate to use the word "crazy", but they are taking the garbage that's happening and the mind is shuffling and isolating it. If those walls of dissociation break down, then the other parts of the mind are going to have to deal with a lot of garbage.

Wayne Morris:

Why do you think they needed so many identities to be in place?

Fritz Springmeier:

If you are going to invest the time to create a robot, you are going to incorporate as many capabilities as possible and you want to compartmentalize so everything is secret. One of the reasons why

intelligence agencies function so well - eg. CIA - is that they compartmentalize everything. You only "know" on a regional basis. They do the same with these people's minds. A slave may function on many different levels. He's got his front - they create the best front possible - his or her everyday life - but then they may want to use that person for drug smuggling, money laundering, carrying messages, performing satanic rituals, producing porn movies, assassinating somebody, spying on somebody - and then you've got internal jobs too. Going back to what I said earlier, remembering how the mind has been fractured into many dissociated pieces, and essentially a whole city of people has been made out of those pieces. In order for that city of people to function, you have to have different jobs. You will have some of the older personalities taking care of baby personalities internally in the person's mind - you have functions - gatekeepers, hierarchy alters that are controlling other alters - a hierarchy of personalities. That's a whole science in itself - how to structure dissociated parts of the mind.

Wayne Morris:

You mentioned the one structure, 13x13x13 grid. Are there other structures used that you are aware of?

Fritz Springmeier:

There are many different structures. It all depends on the whim and fancy of the programmer as he shatters the victim's mind, he can reassemble that mind however he wants to. He can use a sphere - they create systems within systems too. A common system within a system is the cabalistic tree of life.

Wayne Morris:

Do you see similarities in the survivors that you have been working with in terms of the structures?

Fritz Springmeier:

Oh yes. That's one of the things - you can have a therapist in one state, and they will not have know anything about MPD or DID and they will start working with the victim and call another therapist for help and taking notes. The victim will say, "I drew these pictures. I don't know what they mean." "I am fascinated with Star Trek (or the Wizard of Oz) (Mickey Mouse)". The therapist will call another therapist and ask what they make

of this. If this other therapist is experienced, they may say "oh hey - I've got somebody who is just like that." All across the country, there are therapists and then people like myself who is a minister working with these people who are running into the same patterns time and time again, the same structures. Like I was saying, working with people who were in the Illuminati, working with people that did the programming itself, is really helping my learning curve too in terms of the structures that are built in.

Another common structure you will see is a lot of mirror imaging, that's a more of a technique than a structure.

Wayne Morris:

What do you mean by that? The mirroring of an alter?

Fritz Springmeier:

Mirroring of all kinds of things. That's part of the technique of deceit.

Wayne Morris:

That's the purpose of using this mirroring, for example if a therapist came across one alter, dealt with, there may have been a mirror of that ...

Fritz Springmeier:

A lot of the therapists think they are dealing with a particular personality but they are dealing with its mirror image. The systems are programmed, created so that if somebody starts working with them there are all these defensive mechanisms that are triggered. One of the defensive mechanisms is to have mirror image alters take the place of who the therapist is trying to work with. So the therapist thinks they have done something but they have actually just played games. Mirror images of things within the programming itself so that when one particular personality tries to work on their mind's programming, the mind is so confusing about what they still internally - that they can't figure out their own mind.

The best manager is somebody who doesn't have to spend a lot of time giving instructions to a person. If you are a slave master and you have to be constantly telling that slave what to do, and constantly correcting it, and making sure it's doing its job, you become a slave to the slave.

What you want to do is create a human robot which will be self-directed

and self-correcting so they create hierarchies of alters within the person and one of the things they do is create alter personalities within the person's mind who think they are the programmer themselves.

So, Ewen Cameron who was a programmer - his victim would have personalities within them that would think they are Ewen Cameron. Therefore they would carry out the abuse of other personalities as they would perceive Ewen Cameron would do it. That's one use of mirrors. Another use of mirrors is if you are teaming two slaves together, let's say you and are teamed. I would have personalities in me that think they are you and you would have personalities created in you that think they are me and it would further the binding process.

Wayne Morris:

Generally speaking, with people who have this kind of mind control, how many personalities are you talking about?

Fritz Springmeier:

A lot. Cisco has 30,000 standard alters and then there are lots of other dissociated pieces too. That would not be abnormal. The small part of the therapeutic community that's trying to address DID generally work with a few front personalities. There are number of books out there written by people with MPD where the therapist came in and worked with five or six front personalities. The Illuminati step back and allow them to integrate some front personalities and the person is told by the therapist "you are now integrated, you're fine" and they left therapy, and everybody is happy. The victim thinks they are free of their MPD, the therapist has made a lot of money and gotten famous over some book they have written, and the Illuminati is happy because these are just front alters that have been stabilized. The system of alters are far more complex than people realize.

Wayne Morris:

What are the dangers involved in dealing with therapy with a mind control victim, particularly when a therapist may be unaware of the techniques and structures of mind control?

Fritz Springmeier:

I have to caution people that some of the best minds of the 20th century - we have hundreds, if not thousands, of the best minds who have spent many,

many years figuring out how to build these mechanisms into the mind slaves to protect the programming. In a sense what it is like - imagine you are going in to try and hack a computer - imagine a system that is set up so that if someone is not an approved user comes into the room and looks at the computer, the computer shuts down, the computer explodes. That's really what you are looking at in trying to work with a mind control victim - they have a lot of suicide programming so that if the front alters, the personalities that hold the body day in and day out - if they were ever to find out they were in mind control, or that they were a multiple personality, they would commit suicide. You have all kinds of defensive programs. Not only is the computer programmed to explode if you walk into the room, but if you touch the keyboard as an unauthorized user, again the computer is programmed to explode. Every step of the way there are backup programs to deceive, to destroy. It is not easy. It is something the novice does not want to get into. It's something that takes a lot of time and patience and skill, and a lot of love for the victims too. One has to really abhor what is going on to have the motivation that it takes to work with such a complex problem.

Wayne Morris:

What would you recommend for therapists wanting to know more about how this is done, and how they can help heal the victims?

Fritz Springmeier:

I strongly recommend our three books - I co-authored these 3 books with Cisco Wheeler. The one I already mentioned, "The Illuminati Formula Used to Create a Total Mind Controlled Slave". The sequel to that which is 620 pages, "Deeper Insights into the Illuminati Formula", part 1 is how the control comes about and part 2 is how the help comes about. We've got a lot of good information in there laying the foundation as to what's happened, and how to begin to unravel what has happened.

Wayne Morris:

In terms of your own work, how much success have you had in working with victims of mind control?

Fritz Springmeier:

The problem that the mind control presents is overwhelming, and there are countless therapeutic issues, so there is no end to the different issues that

can be worked on. Cisco and I have freely given of our time to help any victim of mind control in whatever way we could. The degree of therapeutic success depends on a number of things. One, it depends upon the situation the victim puts themselves in. If they are willing to extract themselves from their everyday life and go somewhere where it is safe, they are going to do a lot more - work more therapeutic issues, because the mind of a mind controlled slave is not going to let its guard down as long as it's not safe. This gets back into understanding how the reptilian mind and the survival based thinking can override other areas of the mind. When you become deathly frightened for your life, your survival instincts take precedence over the other parts of your brain. If you have been traumatized your entire life, your survival based thinking is your primary method of thinking and it doesn't take much to throw you into the fear based survival based thinking. So the first criteria for doing successful work with a mind control victim is to get them someplace safe. You could say that 99.9% of the victims of mind control have never been given that. Therapists do not set things up for survivors or victims of mind control to be in any safe situation. When I say safe, I mean they have to be safe 24 hours a day.

Cisco and I have been able to work with victims to the degree the situation allowed. There is no end to the work we could do if the right set-up presented itself. This is why I was hoping to create a deprogramming centre. There was a man who was **CIA** who was very horrified at what the government intelligence agencies had been doing to people, and I have a friend whom this CIA man knew who also works at providing therapy for mind control victims. This **CIA** man wrote into his will to give a number of millions of dollars to my clients for the purpose of doing therapy work with mind control victims. And then my friend in turn was going to give me a couple of million dollars so I could start a deprogramming centre. This man's will when he died, was in the Oklahoma Federal Building, and the only copy of the will that we know about was in there. So I was rather upset when the building exploded, because that short-circuited our plans to build a couple of deprogramming centres. Short of building some place that is safe and that is staffed with competent people, it is extremely difficult to accomplish much.

Even when I have accomplished positive therapy with a victim, all that it takes for the other side to do is physically grab them and reprogram them. This is what has happened for me over the past years in terms of trying to help victims, and as a warning to the public and the therapeutic community at large, at this point not a whole lot has really been accomplished to thwart the mind control.

Wayne Morris:

Now in the optimal situation, to what degree have you been able to free the victims of the control?

Fritz Springmeier:

Given the optimal situation where we have someone who is safe, we can take down the mind control. We can do some serious re-structuring and make some really serious headway in helping a person. We can do some significant spiritual work with them. There can be some integrating work begun. There are all kinds of things that can happen. On the flip side of it, is the work ever finished? I don't think it is, because the damage that has been done is so extensive, and you never know as a therapist that you have succeeded in finding every dissociated fragment of the mind. Remember there are thousands of fragments of the mind because the traumatization is so prolonged over so many years, and is so horrific, that you can never be sure that you have gotten all of the dissociated pieces, and each of those dissociated pieces is probably going to have programming attached to it.

Wayne Morris:

What is your sense of how many people have been affected by this?

Fritz Springmeier:

A very conservative estimate - I shouldn't even say estimate because I have computed it from about seven different angles - a conservative figure is 2 million Americans have been programmed with trauma based total mind control.

Wayne Morris:

And that's just in the USA?

Fritz Springmeier:

Yes.

Wayne Morris:

And is it your sense that this is going on world-wide?

Fritz Springmeier:

Oh indeed yes, it is. More with your primary political powers. You've got programming going on in Europe, Russia, the U.S.A. - those are your primary areas of programming but in other places too.

Wayne Morris:

I would like to talk about some of the other techniques now of mind control. How has electricity played a role?

Fritz Springmeier:

Electric shock has been a standard part of the abuse, and it serves as a form of trauma. And stun guns are a standard item to keep the slaves in line and also to erase their memories. They might use perhaps a 120,000 DC volt stun gun to erase and compartmentalize fragments, memories of a slave who has just been used. When you shock a person, it destroys the short-term memory. It fragments it, 24 hours either way of the event. They can also use the shock treatments like Ewen Cameron to splinter the mind so that's electro-shock. Electricity has been used in terms of implements or devices that have been implanted into people and also used in equipment that will throw thoughts into a person's mind. You have microwave towers going up vectoring in ELF waves into people's minds. So electricity is being used in a lot of high tech ways, or electromagnetic waves are being used in a lot of high tech ways ...

They have different machines - **EDOM** electronic dissolution of memory where they wipe out your memory; harmonic machines that are used which some of your speakers have probably talked about - these machines can be used for the deprogramming work too. Electricity is also used in the flip way in that since the human brain gives off frequencies, they go in and scan a person's personal frequencies they are giving off. There is a prime freq - which is the primary frequency a person gives off and that can be used to identify them from a distance. They know the different frequencies that the brain uses. Coming at it from a different angle, if you think of the brain when it creates a particular thought, it gives off particular frequencies. They simply created particular thoughts within a person and monitored electrical impulses along with that thought, fed that into computers. I am simplifying what they did - but basically that's what they have done to decode being able to read what their brain is thinking. If you monitor the frequencies that are being given off by a person, then you can monitor what their thoughts are. So not only can you throw particular thoughts into people's heads, but

they can monitor their thoughts too. A lot of the monitoring and instilling of thoughts, etc. are being done with implants.

Wayne Morris:

Can we just go back to electroshock. You mentioned that it is used to erase memories perhaps of the identity of the people who are doing the programming. But don't they run the risk of erasing the programming itself? How do they deal with that?

Fritz Springmeier:

This gets back into understanding how the programming is put in, and the level at which it is put in. Remember we talked about dissociated states? The primary programming that is put in is put in at a comatose level. There are different levels that you can program somebody to - if you start out with an adult, for instance, the CIA's nomenclature is mind control Level 5. Somebody who has been given mind control to the 5th level generally has some cover story like for Roseanne Barr - she had an automobile accident apparently as a teenager. They take these people in and they are taken down to a comatose level where their bodies are comatose for quite a long period of time, and the programming is put in at an extremely deep level. At a level where your mind is regulating your heartbeat. The programming is put in and it is nested in at an extremely deep level. When they destroy short-term memory with electroshocking, that's not even coming close to the deep programs - that is just affecting the short-term memory.

Wayne Morris:

Have they deliberately regulated the amount of electricity in terms of achieving a desired effect?

Fritz Springmeier:

Oh yeah. Everything is extremely scientific. This is why they had to do a lot of the horrific testing during WWII in the concentration camps. You just don't traumatize a person indiscriminately or you will kill them. You have to know what you are doing. They have doctors and heart monitoring equipment. The fundamental programming is done in hospital settings, or hospital-type settings. That's why a lot of the VA hospitals here in the USA - actually all of the VA hospitals - have been used for programming. A lot of the other civilian hospitals have also had particular wards set up where they were able to do programming. They are monitoring heartbeat, they

know just how far to push them. When they start going into a near-death experience they know exactly when they can electroshock them to bring them back to life, etc. It is very skilled. They have to be very skilled in the drugs they use, how and when they administer them, what they do when the person is under drugs. What they do is not haphazard.

Wayne Morris:

So a lot of experimentation has gone into refining these techniques?

Fritz Springmeier:

Yes. Exactly.

Wayne Morris:

Can you tell us if you know anything about the development of brain implant technology and that has been used for mind control?

Fritz Springmeier:

There are six different types of implants. Audio implants that are used to allow the victim to hear something. Body manipulation implants that are put in to manipulate the body in some way, perhaps to release a hormone or to keep them from getting pregnant or to torture them, or something like that. Then you have a visual holographic implant which will give a holographic image to the person. You have implants that are mimics or brain link implants that if I want to directly download something to the brain, those are very secret implants. The implants are not used across the board with all mind controlled slaves. There are select groups that are receiving the implants and like the mimics, implants are only going to a select group. Then you've got your torture and muscle stimulating implants. Then the one everybody hears about - the tracking and ID implants - that everybody is so concerned about. Those are the implants that were given to a lot of American soldiers in Desert Storm. They were told they needed implants so that the global positioning system could keep track of them so they wouldn't get lost in the desert.

Wayne Morris:

I am curious about the actual implants themselves in terms of how they are implanted and approximately the size through the development of the technology?

Fritz Springmeier:

The development has gotten really high tech. You have several types of development here that need to be brought out. One, that's called "**nanobots**" - nanotechnology which are tiny little robots that range from 10-1/1000 billionth of a meter. The word "nano" means billionth - we are talking extremely microscopic robots here that are able to replicate themselves. Molecular size robots. Possibly the listeners have heard of the Scanning Tunnelling microscope? There are different names for it, but it is a little device that can actually see a single atom, and actually pick up atoms and move them. That's used to develop these nanobots which are robots that can self replicate. You have fibre optics that have been developed and you will have some victims that if they get rid of their fibre optics - the fibre optic that is stuck into the victim often looks like a hair.

Wayne Morris:

What typically are these fibre optic implants used for?

Fritz Springmeier:

Good question. I wish I really knew the answer for that. Fibre optic glass will carry signals, so in broad I can say the implants are being used to transmit signals, I know that much. But I don't know all the ins and outs of what kinds of signals are being sent. I have one victim of mind control who had been sitting in a restaurant - it is sort of analogous to a blowgun where they have hit her with something that looks just like a little hair and the fiber optic filament embeds itself in her skin. While she is sitting there eating, they have shot this filament into her. Fortunately she noticed they had done this, and pulled it out. I had female victims who had fiber optics that was disguised as hair that were put on their bodies. I don't know the full role of the fiber optics but I know it is involved in communications. One of the more dangerous developments are your organic bioprocessors. These are molecular computers that are made up of DNA material. You've got DNA templates and you can also have carbon chains that are used. What they do is - with this biomaterial that is made into a mini-computer, they will link that to a virus and viruses oftentimes have a particular area of the body they like to migrate to. For instance a neurotropic virus will migrate to the nervous system or a dermatropic virus will migrate to the skin, pneumotropic virus will go to the lungs. They attack their little organic viral processor to this virus. How do you get a virus into a person? There are a dozen different ways, it is easy to get a virus into a victim's/host's

body. So once these viruses migrate to that area of the body they prefer, you've got a tiny little implant that is then doing whatever function it is programmed to do. These are extremely difficult to locate.

I have noticed in victims that have the virus implants that there will be a sort of central control implant a lot of times put in the bottom base of the neck. The central command implant will be receiving external signals and then will in turn monitor the body suit of implants. Some of the victims of these implants seem to have gotten some relief from being able to kill the viruses. There are some alternative medical methods that might be suggested to the victims that could take out these bio processors.

Wayne Morris:

For some of the larger implants, have victims been able to locate and remove these kinds of implants somehow?

Fritz Springmeier:

Yes. There have been a number of victims that have been identified - have been able to take x-rays, have been able to get other types of scanning mechanisms. There were three victims of electronic mind control that managed to, as a group, get into an Anacoic Chamber and get results when their signals were pinpointed as to source. They had to smuggle the paperwork out from the lab in their bras because the lab technicians were afraid of getting into trouble. Different victims of electronic mind control have managed to get some proof or have actually pulled some of it out. There are some doctors that actually have some of the implants. There are a few clean surgeons that are willing to help victims. I might mention the word Syntel here ... that's an important word for people to be familiar with in understanding implants. **Syntel** is something that has been discussed by our government repeatedly in some of their conferences. You will hear the military in some of their semi-secret conferences discussing Syntel. That's short for synthetic telepathy which means sending to victims voices and thoughts - so these victims of Syntel are people who are receiving voices and thoughts electronically.

Wayne Morris:

That seems to be able to be used in a couple of different ways in terms of control, but also in terms of the situation with people claiming they are hearing voices who are often labelled schizophrenic or psychotic ... it seems to be a way of discrediting these people.

Fritz Springmeier:

Something that was developed and used during the space program which is called biomedical telemetry - these are transmitters and receivers located at the base of the skull which record the body functions and the brain waves, and send it back to some computer somewhere. In fact in working with victims of electronic mind control I can say with certainty that is what is being done is that there are computers that are programmed with artificial intelligence that are their handlers. Rather than having a human handler day in and out, three shifts of human handlers controlling the victim of electronic mind control, they have computers with A.I. Then if the victim does something that throws the computer, the computer will signal a human to come and get involved. It's been kind of interesting, the stories that victims have told me about how they outsmarted the computers that were trying to handle them.
